NOTICE OF PROPOSED AGENCY ACTION ORDER IMPOSING PENALTIES AND
COLLECTION COSTS, AND REQUIRING PAYMENT OF DELINQUENT REGULATORY
ASSESSMENT FEES, OR CANCELLING IXC TARIFFS AND REMOVAL FROM THE
REGISTER FOR VIOLATION OF SECTION 364.336, FLORIDA STATUTES

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Pursuant to Section 364.336, Florida Statutes, intrastate interexchange telecommunications companies (IXCs) must pay a minimum annual Regulatory Assessment Fee (RAF) of \$50 if the registration was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Pursuant to Section 350.113(4), Florida Statutes, the Regulatory Assessment Fee return forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due. All entities that apply for registration receive a copy of our rules governing intrastate interexchange telecommunications service.

The Division of the Commission Clerk & Administrative Services advised our staff that the entities had not paid the Regulatory Assessment Fees required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the years specified below. Also, accrued statutory late payment charges required by Section 350.113(4), Florida Statutes, for the

year(s) specified below had not been paid. The entities listed below were scheduled to remit their respective 2003 Regulatory Assessment Fees by January 30, 2004. In addition, on June 10, 2004, our staff wrote the entities specified below and advised that payment of the 2003 Regulatory Assessment Fees should be paid by July 2, 2004, to avoid dockets from being established. On November 10, 2004, the Commission received the \$50 minimum payment for the 2003 Regulatory Assessment Fee from Mercury Long Distance, Inc. However, the company did not pay the past due late payment charges. On January 3, 2005, Mercury Long Distance, Inc.'s Vice President, Ms. Tara Hayes, e-mailed staff and advised that she attempted to work out a settlement proposal to resolve Docket No. 040918-TI but did not receive permission to go forward with it. Ms. Hayes stated that the company no longer has any employees or officers. Staff attempted to obtain additional information but was unsuccessful. As of January 31, 2005, the entities listed below have not paid the past due amounts in full, requested cancellation of their respective tariff and removal from the register, or proposed a settlement.

Pursuant to Section 364.285, Florida Statutes, this Commission may impose a penalty or cancel a registration if a company refuses to comply with Commission rules, Orders, or Florida Statutes.

Accordingly, we hereby find it appropriate to cancel each entity's IXC tariff and remove each entity from the register for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, unless each entity pays a penalty and cost of collection, together totaling \$500, and remits all past due Regulatory Assessment Fees, along with accrued statutory late payment charges, to the Florida Public Service Commission. Each entity must comply with these requirements within 14 days after the issuance of the Consummating Order, as explained in the Notice of Further Proceedings attached to this Order. The payment should be identified with the docket number and the company's name. For any payment (full or partial) of the penalty and cost of collection received, the cost of collection will be subtracted and will be deposited in the Florida Public Service Regulatory Trust Fund, pursuant to Section 350.113, Florida Statutes. Any monetary amount exceeding the cost of collection will be remitted to the Florida Department of Financial Services for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.285(1), Florida Statutes.

When the appropriate fees, statutory late payment charges, penalties and collection costs are received, each docket shall be closed. Should any of the entities fail to comply with this Order within 14 days after the issuance of the Consummating Order, the entity shall have its IXC

tariff cancelled and its name removed from the register, effective December 31, 2004. The collection of the past due Regulatory Assessment Fees, including statutory late payment charges, should be referred to the Florida Department of Financial Services for further collection efforts, and the dockets shall be closed. The cancellation of the tariff and removal from the register in no way diminishes any of the entities' obligation to pay applicable delinquent Regulatory Assessment Fees and accrued statutory late payment charges. If an entity's IXC tariff is cancelled and its name removed from the register in accordance with this Order, that entity shall immediately cease and desist providing intrastate interexchange telecommunications services in Florida. If any of the entities listed have their respective tariff cancelled and name removed from the register, and subsequently decides to reapply for registration as an intrastate interexchange telecommunications company, that company shall be required to first pay any outstanding penalties and cost of collection and fees, including accrued statutory late payment charges. We are vested with jurisdiction over this matter pursuant to Sections 364.336, 364.02, and 364.285, Florida Statutes.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that each of the entities listed herein shall pay a penalty and cost of collection, together totaling \$500, and the past due Regulatory Assessment Fees, including statutory late payment charges, to the Florida Public Service Commission for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, within 14 days after the issuance of the Consummating Order. The cost of collection will be subtracted from any monies collected as payments (full or partial) of the penalty and cost of collection, and will be deposited, along with the past due Regulatory Assessment Fees, in the Florida Public Service Regulatory Trust Fund, pursuant to Section 350.113, Florida Statutes. The statutory late payment charges and any portion of the monies collected as payments (full or partial) of the penalty and cost of collection exceeding the cost of collection will be remitted to the Florida Department of Financial Services for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.285(1), Florida Statutes. It is further

ORDERED that should any of the entities fail to comply with this Order, that entity's tariff shall be cancelled and its name removed from the register, effective December 31, 2004, and the respective docket shall be closed. It is further

ORDERED that the cancellation of the tariff and removal from the register in no way diminishes any of the entities' obligation to pay applicable delinquent Regulatory Assessment Fees, and accrued statutory late payment charges. If any company listed in this Order has its respective tariff cancelled and name removed from the register, and subsequently decides to reapply for registration as an intrastate interexchange telecommunications company, that company shall be required to first pay any outstanding penalties and cost of collection and fees, including accrued statutory late payment charges. Any unpaid Regulatory Assessment Fees and accrued statutory late payment charges shall be referred to the Florida Department of Financial Services for further collection efforts. It is further

ORDERED that if an entity's tariff is cancelled and its name removed from the register in accordance with this Order, that entity shall immediately cease and desist providing intrastate interexchange telecommunications services in Florida. It is further

ORDERED that any protest to the action proposed herein shall specify the entity or entities to which it applies. It is further

ORDERED that if a protest to this Order is filed, the protest shall not prevent the action proposed herein from becoming final with regard to the remaining entities listed in this Order. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of the Commission Clerk and Administrative Services, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that in the event this Order becomes final, these dockets shall be closed upon receipt of the imposed penalty and cost of collection, together totaling \$500, and Regulatory Assessment Fees, including statutory late payment charges, or upon cancellation of the registration.

By ORDER of the Florida Public Service Commission this 17th day of March, 2005.
