NOTICE OF PROPOSED AGENCY ACTION ORDER CANCELLING INTRASTATE
INTEREXCHANGE TELECOMMUNICATIONS TARIFF AND REGISTRATION ON THE
COMMISSION'S OWN MOTION

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

@ccess, LLC currently holds Intrastate Interexchange Telecommunications (IXC) Registration No. TJ595, issued by this Commission on January 4, 2002. Pursuant to Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee (RAF) of \$50 if the registration was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Pursuant to Section 350.113(4), Florida Statutes, the Regulatory Assessment Fee return forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due. In addition, Rule 25-24.474, Florida Administrative Code, provides that an IXC requesting cancellation of its tariff and removal from the register must state its intent and date to pay the current Regulatory Assessment Fee. All entities that apply for registration receive a copy of our rules governing intrastate interexchange telecommunications service.

On March 1, 2005, this Commission received a letter from the company's President, Mr. Derek T. Sherrill, advising that @ccess, LLC ceased business operations on October 1, 2004, and requested cancellation of its tariff and removal from the register. Our staff wrote the company on March 24, 2005, and explained that before a voluntary cancellation of the tariff and removal from the register could be recommended, the 2005 Regulatory Assessment Fee and the 2004

statutory late payment charges needed to be paid. As of June 23, 2005, the company has not paid the amounts due.

For the reasons described above, we deny @ccess, LLC's request for voluntary cancellation of its tariff and removal from the register. However, we find it appropriate to involuntarily cancel the tariff and remove its name from the register effective March 1, 2005, on this Commission's own motion for failure to comply with Rule 25-24.474, Florida Administrative Code, and pay the Regulatory Assessment Fee, pursuant to Section 364.336, Florida Statutes.

Since it appears @ccess, LLC is no longer in business, there would be no purpose in requiring it to pay a penalty. By cancelling the company's tariff and removing it from the register on this Commission's own motion, however, we would be able to track the company should it apply for another registration with us in the future. The cancellation of the tariff and removal from the register in no way diminishes the entity's obligation to pay applicable Regulatory Assessment Fee and accrued statutory late payment charges. If this Order is not protested, the company's IXC tariff and its name shall be removed from the register effective March 1, 2005. The collection of the past due fees shall be referred to the Florida Department of Financial Services for further collection efforts. If @ccess, LLC is removed from the register in accordance with this Order, the company shall immediately cease and desist providing intrastate interexchange telecommunications service in Florida. We are vested with jurisdiction over this matter pursuant to Sections 364.336, 364.02, and 364.285, Florida Statutes.

Based on the foregoing, it is

ORDERED that @ccess, LLC's IXC tariff and registration is hereby cancelled effective March 1, 2005, on this Commission's own motion for failure to pay the 2005 Regulatory Assessment Fee, along with statutory late payment charges for the year 2004, pursuant to Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. It is further

ORDERED that the collection of the past due fees shall be referred to the Florida Department of Financial Services for further collection efforts. It is further

ORDERED that the cancellation of the tariff and removal from the register in no way diminishes @ccess, LLC's obligation to pay the applicable Regulatory Assessment Fee and accrued statutory late payment charges. It is further

ORDERED that if @ccess, LLC's IXC tariff and registration is cancelled in accordance with this Order, @ccess, LLC shall immediately cease and desist providing intrastate interexchange telecommunications service in Florida. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of the Commission Clerk and Administrative Services, 2540 Shumard Oak
