In re: Fuel and purchased power cost recovery  
clause with generating performance incentive  
factor.

DOCKET NO. 050001-EI  
ORDER NO. PSC-05-0947-PCO-EI  
ISSUED: October 4, 2005

ORDER GRANTING INTERVENTION

By petition dated September 20, 2005, the Federal Executive Agencies (FEA) requested permission to intervene in this proceeding. FEA states that it consists of certain agencies of the United States Government which have offices, facilities, and/or installations in the service area of the utilities which have filed for recovery of costs in this docket, and which offices, facilities, and/or installations purchase electric utility service from these same utilities. FEA states that electricity costs represent one of the largest variable expenses of operating the federal offices, facilities, and installations. Some of these installations are facing an estimated increase in excess of 20% of current costs, and all will be significantly affected by any action the Commission takes in this docket. Therefore, FEA submits that it has a substantial interest in the proceedings in this docket. No response was filed to FEA's petition.

Having reviewed the Petition, it appears that FEA's substantial interests may be affected by this proceeding. No party expressed opposition to FEA's request to intervene, and the time for doing so has elapsed. Therefore, the Petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, FEA takes the case as it finds it.

Therefore, it is

ORDERED by the Florida Public Service Commission that the Petition to Intervene filed by the Federal Executive Agencies is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings, and other documents which may hereinafter be filed in this proceeding, to:

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of the Commission Clerk and Administrative Services, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
