FINAL ORDER GRANTING APPROVAL FOR
AUTHORITY TO ISSUE AND SELL SECURITIES

BY THE COMMISSION:

Chesapeake Utilities Corporation (Chesapeake or Company) filed an application on September 21, 2005, seeking authority pursuant to Section 366.04, Florida Statutes, to issue common stock, preferred stock, secured and/or unsecured debt, to enter into agreements for Interest Rate Swap Products, Equity Products and other Financial Derivatives, and to exceed the limitation placed on short-term borrowings in 2006. Notice of Chesapeake's application was published in the Florida Administrative Weekly on October 7, 2005.

Chesapeake requests authorization to issue up to 6,000,000 shares of Chesapeake common stock, up to 1,000,000 shares of Chesapeake preferred stock, up to \$80 million in secured and/or unsecured debt, and to enter into agreements up to \$40 million in Interest Rate Swap Products, Equity Products and other Financial Derivatives. In addition, the Company requests authority to exceed the limitation placed on short-term borrowings by Section 366.04, Florida Statutes, so as to issue short-term obligations in 2006, in an amount not to exceed \$40 million.

Chesapeake proposes to issue up to 918,069 new shares of its common stock during 2006 for the purpose of administering the Company's Retirement Savings Plan, Performance Incentive Plan, Dividend Reinvestment and Stock Purchase Plan, conversion of the Company's Convertible Debentures, Directors Stock Compensation Plan, Employee Stock Awards Plan, and to satisfy 30,000 outstanding warrants. The share breakdown for each specific purpose is as follows:

30,000	Issuance pursuant to Outstanding Stock Warrants.

In addition, Chesapeake seeks approval to issue up to 800,000 shares of Chesapeake stock, or an equity-linked instrument equivalent in value in 2006 to permanently finance Chesapeake's ongoing capital expenditure program. The capital expenditure program is subject to continuous review and modification and is funded from short-term borrowings and cash provided by operating activities. The Company, in an effort to manage its capital structure, may from time to time, permanently finance its short-term borrowings through the issuance of common stock or an equity-linked instrument, as opposed to long-term debt.

For 2006, Chesapeake seeks approval to issue up to \$40 million in secured and/or unsecured long-term debt with an estimated rate of interest of up to 300 basis points above U.S. Treasury rates (or extrapolated U.S. Treasury rates) with equivalent average life. The proceeds of this debt issuance would be used for general corporate purposes including, but not limited to, working capital, retirement of short-term debt, retirement of long-term debt and capital improvements. We approved the issuance and sale of \$40 million in secured and/or unsecured long-term debt during 2005 by Order No. PSC-04-1184-FOF-GU, issued December 1, 2004.

In addition, the Company seeks approval to issue, in 2006, up to 4,281,931 shares of common stock and an additional \$40 million in secured and/or unsecured long-term debt with an estimated rate of interest of up to 300 basis points above U.S. Treasury rates (or extrapolated U.S. Treasury rates) with equivalent average life. This additional stock and debt would be used to finance Chesapeake's ongoing acquisition program. The Company states it expects to continue to search for growth opportunities through acquisitions, which fit into its long-range plan to achieve the proper mix of business activities. Financing of acquisitions will depend upon the nature and extent of potential acquisitions as well as current market and economic conditions. We approved the issuance and sale of 4,565,825 shares of common stock and \$40 million in secured and/or unsecured long-term debt during 2005 by Order No. PSC-04-1184-FOF-GU, issued December 1, 2004.

Chesapeake seeks authorization to issue up to 1,000,000 shares of Chesapeake preferred stock during 2006 for possible acquisitions, financing transactions, and other general corporate purposes, including potential distribution under the Company's Rights Agreement. The Company's Rights Agreement is designed to protect the value of the outstanding common stock in the event of an unsolicited attempt by an acquirer to take over the Company in a manner, or on terms, not approved by the Board of Directors. We approved the issuance and sale of up to 1,000,000 shares of preferred stock during 2005 by Order No. PSC-04-1184-FOF-GU, issued December 1, 2004.

Chesapeake also seeks authorization to enter into agreements for financial derivatives including, but not limited to Interest Rate Swap Products, Equity Products, and/or other Financial Derivatives on such terms as Chesapeake considers to be appropriate, provided that the notional amount(s) for said Interest Rate Swap Products, Equity Products, and/or other Financial Derivatives do not, in the aggregate, exceed the sum of \$40 million.

After reviewing the application, we find that the issuance and sale of the aforementioned securities will not impair the ability of Chesapeake to perform the services of a public utility. These transactions are for lawful purposes within the Company's corporate powers; as such, the application is granted subject to the conditions stated herein.

Our approval of the proposed issuance of securities by Chesapeake does not indicate specific approval of any rates, terms, or conditions associated with the issuance. Such matters are properly reserved for review by the Commission within the context of a rate proceeding.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the application of Chesapeake Utilities Corporation, to issue up to 6,000,000 shares of Chesapeake common stock, up to 1,000,000 shares of Chesapeake preferred stock, up to \$80 million in secured and/or unsecured debt, and to enter into agreements for Interest Rate Swap Products, Equity Products and other Financial Derivatives is approved. It is further

ORDERED by the Florida Public Service Commission that the application of Chesapeake Utilities Corporation, to exceed the limitation placed on short-term borrowings by Section 366.04, Florida Statutes, so as to issue short-term obligations in an amount not to exceed \$40 million during 2006, as discussed within the body of this Order, is approved. It is further

ORDERED that Chesapeake Utilities Corporation shall file a consummation report in compliance with Rule 25-8.009, Florida Administrative Code, within 90 days of the end of the fiscal year in which it issues any securities authorized by this Order. It is further
