been paid. The entities were scheduled to remit their respective 2004 RAFs by January 31, 2005. In addition to RAF payment notices sent by CCA, on July 29, 2005, our staff wrote the entities advising that payment of the 2004 RAF must be paid by August 19, 2005, to avoid dockets from being established. As of November 9, 2005, the entities have not paid the past due RAF, including statutory late payment charges, requested cancellation of their respective tariff and removal from the register, or proposed a settlement.

Pursuant to Section 364.285, Florida Statutes, this Commission may impose a penalty or cancel a certificate if a company refuses to comply with Commission rules. Rule 25-24.474, Florida Administrative Code, establishes the requirements for cancellation of a registration. The rule provides for this Commission to cancel a registration on its own motion for violation of Commission rules, statutes, and orders.

Pursuant to Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Pursuant to Section 350.113(4), Florida Statutes, the Regulatory Assessment Fee return forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due. All entities that apply for registration receive a copy of our rules governing intrastate interexchange service.

Accordingly, we hereby find it appropriate to cancel each entity's IXC tariff and remove each entity from the register for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, unless each entity pays a penalty and cost of collection, together totaling \$500, and remits all past due Regulatory Assessment Fees, along with accrued statutory late payment charges, to the Florida Public Service Commission. Each entity must comply with these requirements within 14 days after the issuance of the Consummating Order, as explained in the Notice of Further Proceedings attached to this Order. The payment shall be identified with the docket number and the entity's name. tariff cancelled and its name removed from the register, effective December 31, 2005. The collection of the past due RAFs, including statutory late payment charges, shall be referred to the Florida Department of Financial Services for further collection efforts, and the dockets shall be closed.
