NOTICE OF PROPOSED AGENCY ACTION ORDER IMPOSING PENALTY AND COLLECTION COSTS, AND REQUIRING PAYMENT OF DELINQUENT REGULATORY ASSESSMENT FEE, OR CANCELLING IXC TARIFF AND REMOVING FROM THE REGISTER FOR VIOLATION OF SECTION 364.336, FLORIDA STATUTES

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

The Division of the Commission Clerk and Administrative Services (CCA) advised our staff that Discount Utilities, LLC had not paid the Regulatory Assessment Fee (RAF) in full required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the year 2004. Also, accrued statutory late payment charges required by Section 350.113(4), Florida Statutes, for the years 2001 and 2004 had not been paid. The company was scheduled to remit its 2004 RAF by January 31, 2005. In addition to RAF payment notices sent by CCA, on July 29, 2005, our staff wrote the company and advised that payment of the 2004 RAF should be paid by August 19, 2005, to avoid a docket from being established. As of November 15, 2005, the company has not paid the past due RAF, including statutory late payment charges, requested cancellation of its tariff and removal from the register as required by Rule 25-24.474, Florida Administrative Code, or proposed a settlement.

In addition, Discount Utilities, LLC has had a prior docket for the same rule violation in which the company proposed a settlement to resolve its docket. On September 1, 2000, Docket No. 001300-TI was established for nonpayment of the 1999 RAF. The company subsequently paid the past due RAF, including statutory late payment charges and proposed a settlement. On April 16, 2001, Order No. PSC-01-0948-AS-TI was issued, which approved the company's settlement proposal. The company paid the settlement of \$100 and the docket was closed.

FPSC-COMMISSION CLERK

Pursuant to Section 364.285, Florida Statutes, this Commission may impose a penalty or cancel a registration if a company refuses to comply with Commission rules, Orders, or Florida Statutes.

Pursuant to Section 364.336, Florida Statutes, intrastate interexchange telecommunications companies (IXCs) must pay a minimum annual Regulatory Assessment Fee (RAF) of \$50 if the registration was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Pursuant to Section 350.113(4), Florida Statutes, the Regulatory Assessment Fee return forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due. All entities that apply for registration receive a copy of our rules governing intrastate interexchange telecommunications service.

Accordingly, we hereby find it appropriate to cancel Discount Utilities, LLC's tariff and remove its name from the register for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, unless the company pays a penalty and cost of collection, together totaling \$1,000, and remits all past due RAFs, along with accrued statutory late payment charges to the Florida Public Service Commission. The company must comply with these requirements within 14 days after the issuance of the Consummating Order, as explained in the Notice of Further Proceedings attached to this Order. The payment should be identified with the docket number and the company's name. For any payment (full or partial) of the penalty and cost of collection received, the cost of collection will be subtracted and will be deposited in the Florida Public Service Regulatory Trust Fund, pursuant to Section 350.113, Florida Statutes. Any monetary amount exceeding the cost of collection will be remitted to the Florida Department of Financial Services for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.285(1), Florida Statutes.

When the appropriate fee, statutory late payment charges, penalty and collection costs are received, this docket shall be closed. Should the company fail to comply with this Order within 14 days after the issuance of the Consummating Order, Discount Utilities, LLC shall have its tariff cancelled and its name removed from the register, effective December 31, 2005. The collection of the past due RAF, including statutory late payment charges, should be referred to the Florida Department of Financial Services for further collection efforts, and the docket shall be closed. The cancellation of the tariff and removal from the register in no way diminishes the company's obligation to pay applicable delinquent RAFs and accrued statutory late payment charges. If the company's tariff is cancelled and its name removed from the register in accordance with this Order, the company shall immediately cease and desist providing intrastate interexchange telecommunications service in Florida. If the company has its tariff cancelled and its name removed from the register, and subsequently decides to reapply for registration as an intrastate interexchange telecommunications company, that company shall be required to first pay any outstanding penalties and cost of collection and fees, including accrued statutory late payment charges. We are vested with jurisdiction over this matter pursuant to Sections 364.336, 364.02, and 364.285, Florida Statutes.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Discount Utilities, LLC shall pay a penalty and cost of collection, together totaling \$1,000, and the past due Regulatory Assessment Fee, including statutory late payment charges, to the Florida Public Service Commission for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, within 14 days after the issuance of the Consummating Order. The cost of collection will be subtracted from any money collected as payment (full or partial) of the penalty and cost of collection, and will be deposited, along with the past due RAF, in the Florida Public Service Regulatory Trust Fund, pursuant to Section 350.113, Florida Statutes. The statutory late payment charge and any portion of the penalty exceeding the cost of collection will be remitted to the Florida Department of Financial Services for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.285(1), Florida Statutes. It is further

ORDERED that should Discount Utilities, LLC fail to comply with this Order, Discount Utilities, LLC's tariff shall be cancelled and its name removed from the register, effective December 31, 2005. It is further

ORDERED that the cancellation of the tariff and removal from the register in no way diminishes Discount Utilities, LLC's obligation to pay applicable delinquent Regulatory Assessment Fees, and accrued statutory late payment charges. If the company has its tariff cancelled and its name removed from the register, and subsequently decides to reapply for registration as an intrastate interexchange telecommunications company, that company shall be required to first pay any outstanding penalty and cost of collection and fees, including accrued statutory late payment charges. Any unpaid Regulatory Assessment Fees, and accrued statutory late payment charges, shall be referred to the Florida Department of Financial Services for further collection efforts. It is further

ORDERED that if Discount Utilities, LLC's tariff is cancelled and its name removed from the register in accordance with this Order, that entity shall immediately cease and desist providing intrastate interexchange telecommunications service in Florida. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of the Commission Clerk and Administrative Services, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that in the event this Order becomes final, this docket shall be closed upon receipt of the imposed penalty and cost of collection, together totaling \$1,000, and Regulatory Assessment Fees, including statutory late payment charges, or upon cancellation of the tariff and removal from the register.

By ORDER of the Florida Public Service Commission this 28th day of December, 2005.

BLANCA S. BAYO, Director
Division of the Commission Clerk
and Administrative Services
