ORDER APPROVING SETTLEMENTS

BY THE COMMISSION:

The Division of the Commission Clerk and Administrative Services advised our staff that the entities listed below had not paid the Regulatory Assessment Fees required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the years specified below. Also, accrued statutory late payment charges required by Section 350.113(4), Florida Statutes, for the year(s) specified below had not been paid. The entities were scheduled to remit their respective 2004 Regulatory Assessment Fees by January 31, 2005. In addition, on July 29, 2005, our staff wrote the entities specified below and advised that payment of the 2004 Regulatory Assessment Fees should be paid by August 19, 2005, to avoid dockets from being established.

Pursuant to Section 364.336, Florida Statutes, intrastate interexchange telecommunications companies (IXCs) must pay a minimum annual Regulatory Assessment Fee (RAF) of \$50 if the registration was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Pursuant to Section 350.113(4), Florida Statutes, the Regulatory Assessment Fee return forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due. All entities that apply for registration receive a copy of our rules governing intrastate interexchange telecommunications service.

After these dockets were established, each of the entities contacted our staff, paid the past due amounts, including statutory late payment charges, and proposed to pay a \$100 contribution. In addition, each of the entities proposed to pay future Regulatory Assessment Fees on a timely basis and followed through by paying the 2005 fees timely. The settlement amount in these dockets is consistent with amounts the Commission has accepted for recent, similar violations. While each entity proposed to pay future RAfs on a timely basis, we add that Rule 25-4.0161, F.A.C., as amended, will automatically impose a penalty for late payment of future RAfs.

We believe that the terms of the settlement agreements represent a fair and reasonable resolution of these dockets. Accordingly, we hereby accept the settlement offers. Each of the entities must comply with these requirements within 14 days from the date of issuance of this Order. The contribution should be identified with the docket number and the company name. Upon timely receipt, the contribution will be deposited in the Florida Public Service Regulatory Trust Fund, pursuant to Section 350.113, Florida Statutes. Upon remittance of the \$100 contribution or cancellation of the entity's respective tariff and removal of its respective name from the register, each docket shall be closed. If an entity's IXC tariff is cancelled and its respective name removed from the register in accordance with this Order, that entity shall immediately cease and desist providing intrastate interexchange telecommunications service in Florida. We are vested with jurisdiction over this matter pursuant to Sections 364.336, 364.02, and 364.285, Florida Statutes.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that each of the entities' settlement proposal set forth in the body of this Order is hereby approved. It is further

ORDERED that each settlement amount must be received within 14 days of the issuance of this Order. It is further
