ORDER CLOSING DOCKET

BY THE COMMISSION:

Docket No. 990188-EI, entitled a Generic Investigation into Requirement for Individual Electric Metering by Investor-owned Electric Utilities Pursuant to Rule 25-6.049(5)(a), F.A.C., was opened by our staff on February 18, 1999, at our direction. At the time the investigation was opened, several issues had arisen regarding the interpretation and applicability of the then existing Rule 25-6.049, F.A.C. The purpose of the generic docket was to examine those issues.

Since the docket was opened, our staff has conducted a number of workshops, and has continued to monitor activity with regard to Rule 25-6.049, F.A.C. As a result of this activity, our staff opened docket 050152-EI, and developed proposed amendments to the rule to provide an exception to the requirement of master metering for resort condominiums. At the May 2, 2006, Agenda Conference, we accepted our staff's recommendation, and voted to propose amendments to Rule 25-60.049, F.A.C. At that same Agenda Conference, we voted to close Docket No. 990188-EI, since its purpose had been served.

Based on the foregoing, it is

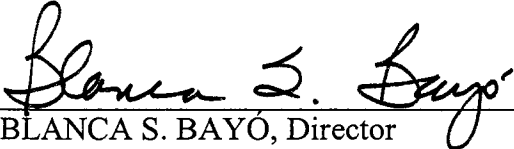

ORDERED by the Florida Public Service Commission that Docket No. 990188-EI is closed.
