ORDER GRANTING VOLUNTARY CANCELLATION OF COMPETITIVE LOCAL EXCHANGE TELECOMMUNICATIONS CERTIFICATE AND INTRASTATE INTEREXCHANGE TELECOMMUNICATIONS TARIFF

BY THE COMMISSION:

U.S. TelePacific Corp. d/b/a TelePacific Communications currently holds Competitive Local Exchange Company (CLEC) Certificate No. 7493, issued by this Commission on July 18, 2000 and Intrastate Interexchange Telecommunications (IXC) Registration No. TJ376, issued by this Commission on July 31, 2000.

Pursuant to Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee (RAF) of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-24.820, Florida Administrative Code, provides that a competitive local exchange telecommunications company requesting cancellation of its certificate must state its intent and date to pay the current Regulatory Assessment Fee and Rule 25-24.474, Florida Administrative Code, provides that intrastate interexchange companies must pay any current and past due Regulatory Assessment Fees with its request for cancellation. All entities that apply for certification and registration receive a copy of our rules governing competitive local exchange and intrastate interexchange telecommunications services.

Although U.S. TelePacific Corp. d/b/a TelePacific Communications requested cancellation of its CLEC certificate and IXC tariff and removal of its name from the register on December 27, 2005, the company did not comply with the cancellation rules. Therefore, on March 20, 2006, Order No. PSC-06-0224-PAA-TP was issued, which cancelled the company's CLEC Certificate No. 7493 and IXC tariff and removed its name from the register on the Commission's own motion. The company had until April 10, 2006, to respond to the Order.
