NOTICE OF PROPOSED AGENCY ACTION ORDER  
CANCELLING INTRASTATE INTEREXCHANGE TELECOMMUNICATIONS TARIFF  
AND REGISTRATION ON THE COMMISSION'S OWN MOTION

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

TTE of Maryland, Inc. currently holds Intrastate Interexchange Telecommunications (IXC) Registration No. TI072, issued by this Commission on September 15, 1992. Pursuant to Section 364.336, Florida Statutes, telecommunications companies must pay a minimum annual Regulatory Assessment Fee of \$50 for each certificate or registration if the certificate or registration was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Pursuant to Section 350.113(4), Florida Statutes, the Regulatory Assessment Fee return forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due. In addition, Rule 25-24.474, Florida Administrative Code, provides that intrastate interexchange companies must pay any current and past due Regulatory Assessment Fees with its request for cancellation. All entities that apply for certification and registration receive a copy of our rules governing intrastate interexchange telecommunications service.

On March 9, 2006, the Commission received a letter from Mr. Ken Wood, President, advising that the company is no longer in business as of June 1, 2005 and requested cancellation of its tariff and removal from the register. On March 20, 2006, our staff wrote Mr. Wood a letter and advised that the past due and current year's Regulatory Assessment Fees must be paid prior to staff going forward with the company's request for cancellation. On April 11, 2006, Mr.

FPSC-COMMISSION CLERK

Wood called our staff and stated that he would have to opt for cancellation on the Commission's own motion because the company did not have any funds to pay the Regulatory Assessment Fees. As of May 1, 2006, the Regulatory Assessment Fees have not been received.

For the reasons described above, we deny TTE of Maryland, Inc.'s request for voluntary cancellation of its IXC tariff and removal of its name from the register. However, we find it appropriate to involuntarily cancel the IXC tariff and remove the company's name from the register, effective March 9, 2006, on this Commission's own motion for failure to comply with Rule 25-24.474, Florida Administrative Code, and pursuant to Section 364.336, Florida Statutes.

Since it appears TTE of Maryland, Inc. does not provide service in Florida and has requested cancellation of its registration, there would be no purpose in requiring the company to pay a penalty. The cancellation of the IXC tariff and removal of its name from the register in no way diminishes the entity's obligation to pay the applicable Regulatory Assessment Fees. If this Order is not protested, the company's IXC tariff shall be cancelled, and Registration No. TI072 removed from the register, effective March 9, 2006. The collection of the unpaid Regulatory Assessment Fees shall be referred to the Florida Department of Financial Services for further collection efforts. If the company pays the Regulatory Assessment Fees prior to the expiration of the Proposed Agency Action Order, then the cancellation of the company's IXC tariff and removal of its name from the register will be voluntary. If the company fails to pay the Regulatory Assessment Fees prior to the expiration of the Proposed Agency Action Order, then the company's IXC tariff should be cancelled administratively and its name removed from the register, and the collection of the unpaid Regulatory Assessment Fees should be referred to the Florida Department of Financial Services for further collection efforts. If the company's IXC tariff is cancelled and its name removed from the register in accordance with the Commission's Order from this recommendation, the company should be required to immediately cease and desist providing intrastate interexchange telecommunications service in Florida. This docket should be closed administratively either upon receipt of the payment of the Regulatory Assessment Fees or upon cancellation of the company's IXC tariff and removal of its name from the register. If TTE of Maryland, Inc.'s IXC tariff is cancelled and its name removed from the register, and the company subsequently decides to reregister as an intrastate interexchange telecommunications company, that company shall be required to first pay any outstanding penalties and cost of collection and fees, including accrued statutory late payment charges. We are vested with jurisdiction over these matters pursuant to Sections 364.336, 364.02, and 364.285, Florida Statutes.

Based on the foregoing, it is

ORDERED that pursuant to Rule 25-24.474, Florida Administrative Code, TTE of Maryland, Inc.'s IXC tariff and Registration No. TI072 is hereby cancelled and its name removed from the register effective March 9, 2006, on this Commission's own motion for failure to pay the past due Regulatory Assessment Fee pursuant to Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. It is further

ORDERED that the cancellation of the IXC tariff, including removal of its name from the register, in no way diminishes TTE of Maryland, Inc.'s obligation to pay the applicable

Regulatory Assessment Fees. If TTE of Maryland, Inc.'s IXC tariff is cancelled and its name removed from the register, and the company subsequently decides to reregister as an intrastate interexchange telecommunications company, that company shall be required to first pay any outstanding penalties and cost of collection and fees, including accrued statutory late payment charges. It is further

ORDERED that if TTE of Maryland, Inc. pays the Regulatory Assessment Fees prior to the expiration of the Proposed Agency Action Order, the cancellation of the tariff and removal of its name from the register shall be deemed voluntary. It is further

ORDERED that if TTE of Maryland, Inc. does not pay the Regulatory Assessment Fees prior to the expiration of the Proposed Agency Action Order, the collection of the Regulatory Assessment Fees shall be referred to the Florida Department of Financial Services for further collection efforts. It is further

ORDERED that if TTE of Maryland, Inc.'s IXC tariff is cancelled and its name removed from the register in accordance with this Order, the company shall immediately cease and desist providing intrastate interexchange telecommunications service in Florida. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of the Commission Clerk and Administrative Services, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that in the event this Order becomes final, this docket shall be closed upon receipt of the Regulatory Assessment Fees, or upon cancellation of the IXC tariff and removal of the company's name from the register.

By ORDER of the Florida Public Service Commission this 7th day of June, 2006.

Division of the Commission Clerk  
and Administrative Services
