In re: Fuel and purchased power cost recovery clause with generating performance incentive factor.

DOCKET NO. 060001-EI
ORDER NO. PSC-06-0639-CFO-EI
ISSUED: July 28, 2006

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION GRANTED BY ORDER NO. PSC-04-0866-CFO-EI OF ITS RESPONSE TO STAFF'S AUDIT REPORT IN AUDIT NO. 04-023-4-1 (DOCUMENT NOS. 04848-04 AND 01888-06)

This Order addresses the continuation of confidential treatment for certain portions of Florida Power & Light Company (FPL)'s response to Staff's Fuel Cost Recovery Clause Audit for the year ended December 31, 2003. By Order No. PSC-04-0866-CFO-EI, the Commission initially granted confidential classification for the documents on September 3, 2004. On March 3, 2006, FPL requested that confidential treatment be extended for the information contained in Document Nos. 04848-04 and 01888-06. The documents were granted confidentiality for 18 months, and FPL now requests that confidentiality be extended for an additional 18 months.

FPL requests that the following work papers be granted continued confidential classification:

FPL Response to the Audit Page Number	Line(s)	Type of Information
4	25,28-29	Sensitive contractual information
5	3	Sensitive contractual information
6	3,5-6,12	Sensitive contractual information

In its request, FPL states that the period of confidential classification granted by Order No. PSC-04-0866-CFO-EI will soon expire, and that all of the information covered by that Order warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093, Florida Statutes.

FPL maintains that the information for which an extension of confidential classification is requested is proprietary confidential business information including vendor-specific information and detailed procurement information primarily related to FPL's overall procurement practices and strategies. FPL asserts that disclosure of this information would impair the efforts of FPL to contract for services on favorable terms and/or would impair the competitive interests of the

providers of the information. FPL further states that the information contains vendor-specific pricing, hedging, and employee relocation expenditures, the disclosure of which could harm FPL's competitive interests. In addition, FPL states that the material is intended to be and is treated by FPL as private, and has not been disclosed. Nothing has changed since the issuance of Order No. PSC-04-0866-CFO-EI to render the information stale or public, such that continued confidential treatment would not be appropriate, according to FPL.

As a result, FPL requests that the information identified in the Justification Table and Order No. PSC-04-0866-CFO-EI be accorded confidential classification for an additional 18 month period.

Upon review, it appears that the information discussed above continues to be proprietary confidential business information within the meaning of Section 366.093, Florida Statutes. Therefore, FPL's request for extension of confidential treatment of Document Nos. 04848-04 and 01888-06 is granted as set forth in the body of this Order.

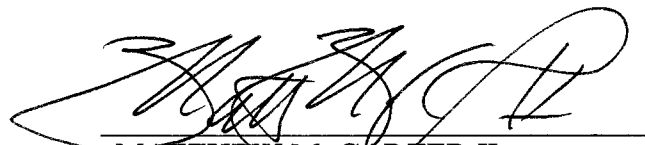

Section 366.093(4), Florida Statutes, provides that any finding by the Commission that records contain proprietary confidential business information shall be effective for a period not to exceed 18 months, absent good cause shown. Accordingly, the information identified in Document Nos. 04848-04 and 01888-06 and described in the table above, shall be granted confidential classification for a period of 18 months from the issuance of this Order.

Based on the foregoing, it is

ORDERED by Commissioner Matthew M. Carter II, as Prehearing Officer, that the information described in the body of this Order and contained in Document Nos. 04848-04 and 01888-06 shall be granted confidential classification for a period of 18 months from the issuance of this Order. It is further

ORDERED that this Order will be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Matthew M. Carter II, as Prehearing Officer, this 28th day of July, 2006.
