FINAL ORDER APPROVING TRANSFER

BY THE COMMISSION:

Background

Town and Country Utilities Company (Town and Country or utility) is a Class C utility providing water service to the Babcock Ranch (Ranch), which consists of approximately 16 residential and 11 general service customers in Charlotte and Lee Counties. The utility is in the Southwest Florida Water Management District and the South Florida Water Management District. The part of the utility that is situated in Lee County is in a water use caution area of the South Florida Water Management District. The utility was originally certificated in 1999.¹ The utility's 2005 annual report shows gross revenue of \$130,430 and net operating losses of \$19,377.

On August 3, 2006, Town and Country filed an application to transfer approximately 73,400 acres of its certificated territory and facilities, operated under Certificate No. 613-W, in Charlotte and Lee Counties to the State of Florida and to Lee County (buyers) pursuant to section 367.071(4)(a), Florida Statutes, and Rule 25-30.037(4) and (5), Florida Administrative Code. The utility is wholly-owned by Babcock Florida Company. The parties entered into an agreement in November 2005 for the buyers to purchase approximately 73,239 of the utility's 91,360 acre territory. The actual closing on this transfer took place on July 31, 2006.

Babcock Ranch has been the subject of much publicity within the last year as the State of Florida and Lee County considered the purchase of approximately 73,239 acres. This purchase is the single largest expenditure of state funds for acquisition of preservation lands in the history

of Florida. The remaining 18,121 acres will be developed into approximately 19,500 residential units, 6 million square feet of nonresidential space (including hotel, office and retail), and a golf course. The owner anticipates submitting an application for an original wastewater certificate later this year. We have jurisdiction to consider this matter pursuant to section 367.071, Florida Statutes.

Transfer to State of Florida and Lee County

Pursuant to section 367.071(4)(a), Florida Statutes, the sale of facilities to a governmental authority shall be approved as a matter of right. As such, no notice of the transfer is required and no filing fees apply. The application is in compliance with section 367.071(4)(a), Florida Statutes, and Rule 25-30.037(4) and (5), Florida Administrative Code. The application contained a list of assets not transferred and a legal description and a map of the remaining territory. The territory remaining after the transfer is described in Attachment A.

The application contains a statement that the buyers obtained Town and Country's most recent income and expense statement, balance sheet, statement of rate base for regulatory purposes, and contributions-in-aid-of-construction pursuant to Rule 25-30.037(4)(e), Florida Administrative Code. The utility does not collect customer deposits.

Additionally, pursuant to the requirements of Rule 25-30.037(4)(h), Florida Administrative Code, a statement was included that Town and Country has no outstanding regulatory assessment fees (RAFs) and no fines or refunds are owed. The utility has filed its 2005 annual report and paid its 2005 RAFs and there are no outstanding penalties and interest. For the period of January 1, 2006 through July 31, 2006, Town and Country has agreed to file its RAF return and RAF payment for the transferred facilities within 20 days after the issuance of the order approving the transfer.

We find that the application is in compliance with the provisions of Rule 25-30.037, Florida Administrative Code. Therefore, we grant the partial transfer of Town and Country's territory and facilities, operated under Certificate No. 613-W, in Charlotte and Lee Counties to the State of Florida and Lee County, as a matter of right, pursuant to section 367.071(4)(a), Florida Statutes, effective July 31, 2006. The resultant order shall serve as Town and Country's amended certificate and it shall be retained by the utility. Regulatory assessment fees for January 1 through July 31, 2006, shall be submitted within 20 days from the issuance of this Order.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the partial transfer of Town and Country Utilities Company's territory and facilities, operated under Certificate No. 613-W, to the State of Florida and Lee County are hereby approved as a matter of right, effective July 31, 2006. It is further

ORDERED that Town and Country Utilities Company shall submit its regulatory assessment fees for January 1 through July 31, 2006, within 20 days from the issuance of this Order. It is further

ORDERED that all attachments attached hereto are incorporated herein by reference. It is further

ORDERED that this Order shall serve as Town and Country Utilities Company's amended certificate and shall be retained the utility. It is further

ORDERED that this docket shall be closed.
