II. Authority

This Order is issued pursuant to the authority granted by Rule 28-106.211, Florida Administrative Code, which provides that the presiding officer before whom a case is pending may issue any orders necessary to effectuate discovery, prevent delay, and promote the just, speedy, and inexpensive determination of all aspects of the case.

III. Purpose and Scope of Protective Order

This Order's purpose is to protect confidential and proprietary information that is submitted in this docket from public disclosure. The materials subject to this Protective Order include any information submitted to this Commission that the provider of the information deems confidential or proprietary. Although Florida law presumes that documents submitted to governmental agencies, or entities operating on the agency's behalf, shall be public records, the law provides for specific statutory exemptions. Pursuant to Section 364.183, Florida Statutes, proprietary confidential business information obtained by the Commission or on its behalf shall be protected. Pursuant to Section 364.24, Florida Statutes, customer account records are also protected from disclosure unless authorized by the customer or as otherwise provided by law.

IV. Confidential Information to be Protected

In view of the amount of confidential information likely to be used in this process, it is appropriate to issue a Protective Order governing the handling of all confidential information in this proceeding, which shall include the following conditions:

retained by a party or non-party, who are not engaged in strategic or competitive decision-making, including, but not limited to, the sale, marketing or pricing of any products or services on behalf of the receiving party; and (d) the Commission staff. Any proprietary information submitted, by any party or non-party, to the Commission or to Commission staff must be clearly identified as confidential. 2. Before any copies of confidential information are provided to the Commission's staff, the copies must be identified in accordance with the Commission's procedures for tracking confidential information. The Commission's staff shall make no additional copies of confidential information. Upon conclusion of the hearing in this matter, the Commission's staff shall ensure that all confidential information provided to them is returned to the provider.
3. The use of any proprietary information protected under this Order shall be limited to Docket No. 050257-TL.
4. Upon conclusion of the hearing in this matter, the Commission staff shall also ensure that all confidential information provided to a party or non-party is returned to the provider, pursuant to Section 364.183(4), Florida Statutes.

6. This Order will supplement the procedure for use of confidential information set forth in the subsequent Prehearing Order and the Orders Establishing Procedure issued in these Dockets.

V. Ruling

The outlined procedures comply with Rule 25-22.006(6), Florida Administrative Code, regarding protection of proprietary information in Commission proceedings. This Order will govern the handling of all proprietary information in this Docket until a final determination is made on specific items of information for which confidential treatment is requested. It should also be noted that parties filing claims for confidential treatment pursuant to Rule 25-22.006(5), Florida Administrative Code, must be mindful of the further requirements of Rule 25-22.006(8)(b), Florida Administrative Code, should such information ultimately be entered into the record of the proceeding.

It is, therefore

ORDERED by Commissioner Matthew M. Carter II, as Prehearing Officer, that the provisions of this Order shall govern the conduct of this proceeding unless otherwise modified by the Prehearing Officer or the Commission.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of the Commission Clerk and Administrative Services, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
