DOCKET NO. 060001-EI  
ORDER NO. PSC-06-0888-CFO-EI  
ISSUED: October 25, 2006

ORDER GRANTING TAMPA ELECTRIC COMPANY'S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION  
(DOCUMENT NO. 08071-06)

On September 1, 2006, pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Tampa Electric Company. ("TECO") filed a request for confidential classification for the redacted portions contained in Tampa Electric Company witness Carlos Aldazabal's Exhibit CA-3, Document No. 2, Schedule E12 (Bates Stamp page 48 -Tampa Electric Company Capacity Costs Estimated for the period January 2007 through December 2007) (Document No. 08071-06).

Section 366.093(1), Florida Statutes, provides that "any records received by the commission which are shown and found by the commission to be proprietary confidential business information shall be kept confidential and shall be exempt from [the Public Records Act]." Section 366.093(3), Florida Statutes, defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), Florida Statutes, provides that proprietary confidential business information includes, but is not limited to "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms" (subsection d); and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information" (subsection e).

TECO contends that the redacted portions contained in Tampa Electric Company witness Carlos Aldazabal's Exhibit CA-3, Document No. 2, Schedule E12 (Bates Stamp page 48 -Tampa Electric Company Capacity Costs Estimated for the period January 2007 through December 2007) falls within these categories and thus constitutes proprietary confidential business information entitled to protection under Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code. TECO states that this information is intended to be and is treated by TECO as private and has not been publicly disclosed.

TECO asserts that disclosure of the redacted portions contained in Tampa Electric Company witness Carlos Aldazabal's Exhibit CA-3, Document No. 2, Schedule E12 (Bates Stamp page 48 -Tampa Electric Company Capacity Costs Estimated for the period January 2007 through December 2007) would disclose estimated purchase amounts pursuant to confidential contracts negotiated by and between TECO and certain energy providers. This information concerns bids or other contractual data, the disclosure of which would impair the efforts of TECO to contract for goods on favorable terms. TECO further asserts that this information also relates to the competitive interests of TECO and its fuel suppliers, the disclosure of which would impair their competitive businesses.

FPSC-COMMISSION CLERK

Upon review, it appears that the redacted portions contained in Tampa Electric Company witness Carlos Aldazabal's Exhibit CA-3, Document No. 2, Schedule E12 (Bates Stamp page 48 -Tampa Electric Company Capacity Costs Estimated for the period January 2007 through December 2007) satisfies the criteria set forth in Section 366.093(3), Florida Statutes, for classification as proprietary confidential business information and, thus, shall be treated as confidential. The information constitutes "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms" or "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information." Thus, this information is granted confidential classification.

Section 366.093(4), Florida Statutes, provides that any finding by the Commission that records contain proprietary confidential business information shall be effective for a period not to exceed 18 months, absent good cause shown. Accordingly, the information identified in Document Nos. (08071-06), shall be granted confidential classification for a period of 18 months from the issuance of this Order.

Based on the foregoing, it is

ORDERED by Commissioner Matthew M. Carter II, as Prehearing Officer, that Tampa Electric Company's Request for Confidential Classification of Document No. 08071-06 is granted. It is further

ORDERED that the information in Document No. 08071-06 for which confidential classification has been granted shall remain protected from disclosure for a period of 18 months from the date of issuance of this order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Matthew M. Carter II, as Prehearing Officer, this 25th day of October, 2006.

  
MATTHEW M. CARTER II  
Commissioner and Prehearing Officer
