In re: Fuel and purchased power cost recovery clause with generating performance incentive factor.

DOCKET NO. 060001-EI
ORDER NO. PSC-06-0911-CFO-EI
ISSUED: November 1, 2006

ORDER GRANTING GULF POWER COMPANY'S FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION GRANTED BY ORDER NO. PSC-05-0280-CFO-EI IN DOCKET NO. 050001-EI OF EXHIBIT HRB-1 TO THE PREFILED TESTIMONY OF HERBERT R. BALL (DOCUMENT NO. 08284-06 (x-ref. DOCUMENT NO. 02058-05))

This Order addresses the continuation of confidential treatment for portions of Schedule 2 of Exhibit HRB-1 to the prefiled testimony of Herbert R. Ball dated March 1, 2005. By Order No. PSC-05-0280-CFO-EI, issued March 15, 2005, in Docket No. 050001-EI, In re: Fuel and purchased power cost recovery clause with generating performance incentive factor, the Commission initially granted confidential classification for the documents. On September 12, 2006, Gulf Power Company ("Gulf") requested that confidential treatment be extended for the information contained in Document No. 08284-06 (x-ref. Document No. 02058-05). The documents were originally granted confidentiality for 18 months, and Gulf now requests that confidentiality be extended for an additional 18 months.

In its request, Gulf states that the period of confidential classification granted by Order No. PSC-05-0280-CFO-EI will soon expire, and that all of the information covered by that Order warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093, Florida Statutes.

Gulf contends that portions of Schedule 2 of Exhibit HRB-1 to the testimony of Mr. Ball falls within these categories and thus constitutes proprietary confidential business information entitled to protection under Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code. Gulf states that this information is intended to be and is treated by Gulf as private and has not been publicly disclosed.

Gulf requests that the following information be granted confidential classification:

Gulf contends that this information provides details about the types of hedging instruments and the various contract terms utilized in Gulf's hedging activities. Gulf asserts that Schedule 2 also contains specific cost information. Gulf states that this information provides insight and details into Gulf's hedging strategy. According to Gulf, disclosure of this information would adversely affect Gulf's ability to conduct its hedging activities to the benefit of its customers and would impair Gulf's ability to enter into contracts for the benefit of its customers. Gulf states that this information is intended to be, and is treated as confidential by Gulf and has not been publicly disclosed. Nothing has changed since the issuance of Order No. PSC-05-0280-CFO-EI to render the information stale or public, such that continued confidential treatment would not be appropriate, according to Gulf.

As a result, Gulf requests that the information identified in Order No. PSC-05-0280-CFO-EI be accorded confidential classification for an additional 18 month period.

Upon review, it appears that the information discussed above continues to be proprietary confidential business information within the meaning of Section 366.093, Florida Statutes. The information contains "information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information" or "information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information." The information has not become stale or become part of public information. Therefore, Gulf's request for extension of confidential treatment of Document No. 08284-06 (x-ref. Document No. 02058-05) is granted as set forth in the body of this Order.

Section 366.093(4), Florida Statutes, provides that any finding by the Commission that records contain proprietary confidential business information shall be effective for a period not to exceed 18 months, absent good cause shown. Accordingly, the information identified in Document No. 08284-06 (x-ref. Document No. 02058-05) shall be granted confidential classification for a period of 18 months from the issuance of this Order.

Based on the foregoing, it is

ORDERED by Commissioner Matthew M. Carter II, as Prehearing Officer, that the information described in the body of this Order and contained in Document No. 08284-06 (x-ref. Document No. 02058-05) shall be granted confidential classification for a period of 18 months from the issuance of this Order. It is further

ORDERED that this Order will be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Matthew M. Carter II, as Prehearing Officer, this 1st day of November, 2006.

MATTHEW M. CARTER II
Commissioner and Prehearing Officer
