DOCKET NO. 060598-TL
ORDER NO. PSC-06-1002-CFO-TL
ISSUED: December 4, 2006

ORDER GRANTING BELLSOUTH TELECOMMUNICATIONS, INC.'S REQUEST
FOR SPECIFIED CONFIDENTIAL CLASSIFICATION OF
DOCUMENT NO. 08753-06

On September 1, 2006, BellSouth Telecommunications, Inc. (BellSouth) filed its Petition to Recover 2005 Tropical System Related Costs and Expenses pursuant to 364.051(4), Florida Statutes.

An administrative hearing will be held on this matter on December 6, 2006.

On September 21, 2006, BellSouth Telecommunications, Inc. (BellSouth) filed a request for specified confidential classification. In its request, BellSouth seeks confidential classification of information contained in BellSouth's Response to Staff's Audit Request No. 4, which seeks a list of CLECs that BellSouth has access agreements with and the number of wholesale lines for each as of June, 2006 (Document No. 08753-06). BellSouth asserts its Response to Staff's Audit Request No. 4 contains confidential information pursuant to Section 364.24, Florida Statutes. Attachment A, attached hereto and incorporated herein, contains a detailed justification of the confidentiality of the information at issue. I understand that BellSouth treats this information as confidential and it has not otherwise been released.

Section 364.24, Florida Statutes, in pertinent part, provides:

A "telecommunications company shall not intentionally disclose customer account records except as authorized by the customer or as necessary for billing purposes, or required by subpoena, court order, other process of court, or as otherwise allowed by law.

Florida law presumes that documents submitted to governmental agencies shall be public records. The only exceptions to this presumption are the specific statutory exemptions provided in the law and exemptions granted by governmental agencies pursuant to the specific terms of a statutory provision. This presumption is based on the concept that government should operate in the "sunshine." Rule 25-22.006 (4)(c), Florida Administrative Code, provides that it is the Company's burden to demonstrate that the documents fall into one of the statutory examples set out in Section 364.183, Florida Statutes, or to demonstrate that the information is proprietary confidential information, the disclosure of which will cause the Company or its ratepayers harm.

Section 364.183 (3), Florida Statutes, in pertinent part, provides:

The term "proprietary confidential business information" means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or private agreement that provides that the information will not be released to the public.

Pursuant to Sections 364.183 (3) and Section 364.24, Florida Statutes, it appears that the material described herein is proprietary and should be granted confidential status. As such, BellSouth's Request for Specified Confidential Classification of information contained in Response to Staff's Audit Request No. 4 (Document No. 08753-06), is hereby granted.

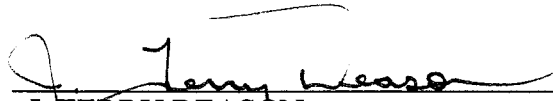

Based on the foregoing, it is

ORDERED by Commissioner J. Terry Deason, as Prehearing Officer, that BellSouth Telecommunications, Inc.'s Request for Specified Confidential Classification of Document No. 08753-06, as set forth in Attachment A, which is attached and incorporated herein, is granted. It is further

ORDERED that pursuant to Sections 364.183 and 364.24, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, the confidentiality granted to the material specified herein shall expire eighteen (18) months from the date of the issuance of this Order, in the absence of a renewed request for confidentiality pursuant to Section 364.183, Florida Statutes. It is further

ORDERED that this Order will be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period.

By ORDER of Commissioner J. Terry Deason, as Prehearing Officer, this 4th day of December, 2006.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
