DOCKET NO. 060598-TL  
ORDER NO. PSC-07-0075-CFO-TL  
ISSUED: January 26, 2007

ORDER GRANTING BELLSOUTH TELECOMMUNICATIONS, INC.'S REQUEST  
FOR SPECIFIED CONFIDENTIAL CLASSIFICATION OF  
DOCUMENT NO. 11086-06

On December 1, 2006, BellSouth Telecommunications, Inc. (BellSouth) filed a request for specified confidential classification. In its request, BellSouth seeks confidential classification of certain information contained in its Response to Staff's Second Set of Interrogatories, Item No. 20 (Document No. 11086-06), which consists of BellSouth's incremental storm damage expense by named tropical storm from 1994 to 2005 and a calculation of a storm reserve balance at the end of 2005. BellSouth asserts Document No. 11086-06 contains confidential information pursuant to Sections 364.183 and 364.24, Florida Statutes. Attachment A, attached hereto and incorporated herein, contains a detailed justification of the confidentiality of the information at issue. I understand that BellSouth treats this information as confidential and it has not otherwise been released.

Florida law presumes that documents submitted to governmental agencies shall be public records. The only exceptions to this presumption are the specific statutory exemptions provided in the law and exemptions granted by governmental agencies pursuant to the specific terms of a statutory provision. This presumption is based on the concept that government should operate in the "sunshine." Rule 25-22.006 (4)(c), Florida Administrative Code, provides that it is the Company's burden to demonstrate that the documents fall into one of the statutory examples set out in Section 364.183, Florida Statutes, or to demonstrate that the information is proprietary confidential information, the disclosure of which will cause the Company or its ratepayers harm.

Section 364.183 (3), Florida Statutes, in pertinent part, provides:

The term "proprietary confidential business information" means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or private agreement that provides that the information will not be released to the public.

Pursuant to Sections 364.183 (3) and Section 364.24, Florida Statutes, it appears that the material described herein is proprietary and should be granted confidential status. As such,

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
