ORDER SUSPENDING PROPOSED TARIFFS

BY THE COMMISSION:

On April 2, 2007, Florida Power & Light Company (FPL) filed a Petition for Approval of 2007 Revisions to Florida Power & Light Company's Underground Residential and Commercial Distribution Tariffs and their associated charges. We have jurisdiction pursuant to Sections 366.04 and 366.05, Florida Statutes.

Pursuant to Section 366.06(3), Florida Statutes, we may withhold consent to the operation of all or any portion of a new rate schedule, delivering to the utility requesting such increase a reason or written statement of good cause for doing so within 60 days. To allow our staff sufficient time to review the petition and present to us an informed recommendation on the tariff proposal is good cause. Therefore, we find that the proposed tariffs shall be suspended.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Florida Power & Light Company's proposed Underground Residential and Commercial Distribution Tariffs and their associated charges shall be suspended. It is further

ORDERED that this docket shall remain open pending our vote on the proposed tariff revisions.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
