ORDER NO. PSC-07-0620-PCO-EI

ISSUED: July 31, 2007

ORDER GRANTING PETITION FOR INTERVENTION
TO THE TOWN OF JUPITER ISLAND, FLORIDA IN DOCKET NO. 070301-EI

BY THE COMMISSION:

Rule 25-6.0342, Florida Administrative Code, requires each investor-owned electric utility (IOU) to file a comprehensive storm hardening plan for review and approval by the Commission. On May 7, 2007, Florida Power & Light (FPL), Gulf Power Company (Gulf), Progress Energy Florida, Inc. (PEF), and Tampa Electric Company (TECO) each filed its 2007 Electric Infrastructure Storm Hardening Plan (Storm Hardening Plan). Docket Nos. 070297-EI (TECO), 070298-EI (PEF), 070299-EI (Gulf), and 070301-EI (FPL) were opened to address each filing. On June 19, 2007, the Commission voted to set the dockets directly for a formal administrative hearing, with the additional mandate for Commission staff to conduct a series of informal workshops to allow the parties and staff to identify disputed issues and potential areas for stipulation. By Order No. PSC-07-0573-PCO-EI, issued July 10, 2007, these dockets were consolidated and set for formal administrative hearing.

By petition dated May 25, 2007, the Town of Jupiter Island, Florida (Jupiter Island) has requested permission to intervene in Docket No. 070301-EI. In support of its Petition, Jupiter Island states that it is a substantial customer of FPL, and that Jupiter Island has ongoing interests in converting certain existing overhead electric distribution lines in Jupiter Island to underground service.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy.
