ORDER NO. PSC-07-0690-PCO-EI
ISSUED: August 24, 2007

ORDER GRANTING INTERVENTION TO
BELLSOUTH TELECOMMUNICATIONS, INC.,
D/B/A AT&T FLORIDA IN DOCKET NO. 070300-EI

BY THE COMMISSION:

Rule 25-6.0342, Florida Administrative Code, requires each investor-owned electric utility (IOU) to file a comprehensive storm hardening plan for review and approval by the Commission. On May 4, 2007, Florida Public Utilities Company (FPUC) filed a Petition for Variance from Rule 25-6.0342(2), Florida Administrative Code, seeking an additional 60 days to file its Storm Hardening Plan. By Order No. PSC-07-0558-PAA-EI, the Commission granted FPUC's Petition, thereby making its Storm Hardening Plan due on or before July 6, 2007. Docket No. 070300-EI was opened to address FPUC's Storm Hardening Plan.

On July 3, 2007, FPUC submitted its Storm Hardening Plan to the Commission pursuant to Rule 25-6.0342, Florida Administrative Code. By Order No. PSC-07-0647-PCO-EI, issued August 9, 2007, Docket No. 070300-EI was consolidated with Docket No. 070304-EI for the purpose of the evidentiary hearing. Docket No. 070304-EI is FPUC's request for general rate increase in Marianna and Fernandina Beach Divisions. The evidentiary hearing in the consolidated docket has been tentatively scheduled for February 28-29, 2008.

By Petition dated May 30, 2007, BellSouth Telecommunications, Inc., d/b/a AT&T Florida (AT&T Florida) requested permission to intervene in Docket No. 070300-EI. In support of its Petition, AT&T Florida states that it is an Incumbent Local Exchange Company (ILEC) lawfully doing business in the State of Florida whose regulated operations are subject to the jurisdiction of this Commission pursuant to Chapter 364, Florida Statutes. AT&T Florida alleges that any decision made by this Commission in the context of FPUC's Storm Hardening Plan will necessarily affect the substantial interest of AT&T Florida and its business operations in the State of Florida because AT&T Florida is a third-party attacher to FPUC's facilities.

Having reviewed the Petition, it appears that AT&T Florida's substantial interests may be affected by this proceeding as it relates to FPUC's Storm Hardening Plan. There has been no

response filed in opposition to AT&T Florida's Petition. Therefore, the Petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, AT&T Florida takes the case as it finds it.

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
