NOTICE OF PROPOSED AGENCY ACTION ORDER IMPOSING PENALTIES AND  
COLLECTION COSTS, AND REQUIRING PAYMENT OF DELINQUENT REGULATORY  
ASSESSMENT FEES, OR CANCELLING INTRASTATE INTEREXCHANGE  
TELECOMMUNICATIONS TARIFF AND REGISTRATION FOR VIOLATION OF  
SECTION 364.336, FLORIDA STATUTES

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Pursuant to Rule 25-4.0161(10), Florida Administrative Code, telecommunications companies that fail to pay the Regulatory Assessment Fee, including statutory late payment charges, within 15 days after receiving a delinquent notice, shall be automatically penalized \$500 for a first offense, \$1,000 for a second offense, and \$2,000 for a third offense. The penalty amounts include collection costs. If an entity fails to pay the Regulatory Assessment Fee in full, including statutory late payment charges, along with the penalty amount, that entity's IXC tariff and registration shall be cancelled. In this case, all five companies have not paid the Regulatory Assessment Fee at all.

Pursuant to Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year.

Pursuant to Section 350.113(4), Florida Statutes, the Regulatory Assessment Fee return forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due.

The Division of Administrative Services advised our staff that the entities listed below failed to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. In addition, each entity listed below has had two prior dockets for the same rule violation in which each entity proposed a settlement or paid the penalty imposed to resolve its respective dockets.

Accordingly, we hereby find it appropriate to cancel each entity's IXC tariff and registration for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, unless each entity pays a penalty and cost of collection, together totaling \$2,000, and remits any past due Regulatory Assessment Fees, along with accrued statutory late payment charges, to the Florida Public Service Commission.

If this Order is not protested, each entity's respective IXC tariff and registration shall be cancelled. If an entity pays the penalty and cost of collection, together totaling \$2,000, and remits any past due Regulatory Assessment Fees, along with accrued statutory late payment charges, prior to the expiration of the Proposed Agency Action Order, then that entity's respective IXC tariff and registration will remain active. If an entity fails to protest the Order or pay the penalty and cost of collection, together totaling \$2,000, and fails to remit any past due Regulatory Assessment Fees, along with accrued statutory late payment charges, prior to the expiration of the Proposed Agency Action Order, then that entity's IXC tariff and registration should be cancelled administratively, and the collection of the past due Regulatory Assessment Fees should be referred to the Florida Department of Financial Services for further collection efforts. If an entity's IXC tariff and registration are cancelled in accordance with this Commission's Order, that company should be required to immediately cease and desist providing intrastate interexchange service in Florida. This docket should be closed administratively either upon receipt of the payment of the penalty and cost of collection, together totaling \$2,000, and any past due Regulatory Assessment Fees, along with accrued statutory late payment charges from each entity, or upon cancellation of that entity's IXC tariff and

registration. If an entity's IXC tariff and registration are cancelled in accordance with this Order and it subsequently decides to reapply for a registration as an intrastate interexchange company, that entity shall be required to first pay the penalty and cost of collection, together totaling \$2,000 and any outstanding fees, including accrued statutory late payment charges. We are vested with jurisdiction over these matters pursuant to Sections 350.113, 364.336, 364.02, and 364.285, Florida Statutes.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that each of the entities listed herein shall pay a penalty and cost of collection, together totaling \$2,000, and any past due Regulatory Assessment Fees, including statutory late payment charges, to the Florida Public Service Commission for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, by the end of the protest period. The cost of collection will be subtracted from any monies collected as payments (full or partial) of the penalty and cost of collection, and will be deposited, along with the past due Regulatory Assessment Fees, in the Florida Public Service Regulatory Trust Fund, pursuant to Section 350.113, Florida Statutes. The statutory late payment charges and any portion of the penalty exceeding the cost of collection will be remitted to the Florida Department of Financial Services for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.285(1), Florida Statutes. It is further

ORDERED that should any of the entities fail to comply with this Order, that entity's tariff and registration shall be cancelled. It is further

ORDERED that the cancellation of the tariff and registration in no way diminishes any of the entities' obligation to pay applicable delinquent Regulatory Assessment Fees, and accrued statutory late payment charges. If any company listed in this Order has its respective tariff and registration cancelled, and subsequently decides to reapply for registration as an intrastate interexchange telecommunications company, that company shall be required to first pay any outstanding penalties and cost of collection and fees, including accrued statutory late payment charges. Any unpaid Regulatory Assessment Fees, and accrued statutory late payment charges, shall be referred to the Florida Department of Financial Services for further collection efforts. It is further

ORDERED that if an entity's tariff and registration are cancelled in accordance with this Order, that entity shall immediately cease and desist providing intrastate interexchange telecommunications service in Florida. It is further

ORDERED that any protest to the action proposed herein shall specify the entity or entities to which it applies. It is further

ORDERED that if a protest to this Order is filed, the protest shall not prevent the action proposed herein from becoming final with regard to the remaining entities listed in this Order. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that in the event this Order becomes final, these dockets shall be closed upon receipt of the imposed penalty and cost of collection, together totaling \$2,000, and Regulatory Assessment Fees, including statutory late payment charges, from each entity or upon cancellation of that entity's IXC tariff and registration.

By ORDER of the Florida Public Service Commission this 27th day of August, 2007.
