IN DOCKET NO. 070299-EI

On August 2, 2007, Gulf Power Company ("Gulf") filed a Motion for Temporary Protective Order pursuant to Rule 25-22.006(6)(c), Florida Administrative Code (F.A.C.), and Section 366.093, Florida Statutes (F.S.), to prevent public disclosure of confidential information provided in response to the City of Panama City Beach and Panama City Beach Community Redevelopment Agency's ("City") First Request for Production of Documents (Nos. 1-41) and First Set of Interrogatories (Nos. 1-58).

In support of its Motion, Gulf states that the information provided in response to the City's First Set of Interrogatories, Document Request No. 11, consists of joint use agreements between Gulf and various third-party attachers which is entitled to confidential classification. Gulf states that Document Request No. 11, contains contractual data, including specific price terms, the disclosure of which would negatively impact Gulf's ability to negotiate with future third-party attachers. Also, the disclosure of the information in Document Request No. 11, would negatively impact Gulf's ability to negotiate pricing favorable to its customers in future contracts. In addition, Gulf states that the potential counterparties may refuse to contract with Gulf or would charge higher prices if the contract terms were made public. Gulf asserts that this information is entitled to protection under Section 366.093(3)(d), F.S., and Rule 25-22.006, F.A.C.
