

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for rate increase by Florida  
Public Utilities Company.

DOCKET NO. 070304-EI  
ORDER NO. PSC-08-0012-PCO-EI  
ISSUED: January 3, 2008

ORDER GRANTING MOTION TO FILE SUPPLEMENTAL TESTIMONY

On December 12, 2007, Florida Public Utilities Company (FPUC) filed a motion to file the supplemental direct testimony of Robert Canfield in this docket. FPUC asserted that the supplemental testimony provided an analysis inadvertently omitted from the direct testimony of Mr Canfield and Ms. Cox, which was filed August 31, 2007. The analysis is the logarithmic trend basis used to assess historical growth for discounted cash flow analysis.

FPUC represented that it had contacted all participants in the docket and none objected to the filing. Since there are no objections and no harm will ensue, the motion is granted.

It is therefore,

ORDERED by Commissioner Nancy Argenziano, as Prehearing Officer, that Florida Public Utilities Company's Motion to File Supplemental Testimony is granted.

By ORDER of Commissioner Nancy Argenziano, as Prehearing Officer, this 3rd day of January, 2008.

NANCY ARGENZIANO  
Commissioner and Prehearing Officer

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
