NOTICE OF PROPOSED AGENCY ACTION ORDER APPROVING JOINT PETITION TO
TRANSFER TERRITORIES AND FOR CERTIFICATE AMENDMENT

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

CASE BACKGROUND

On December 10, 2007, BellSouth Telecommunications, Inc. d/b/a AT&T Florida (AT&T) and ITS Telecommunications Systems, Inc. (ITS) filed, as required by Rule 25-4.005 (1), Florida Administrative Code (F. A. C.), a notice of intent to file a joint petition seeking approval to transfer a portion of ITS' territory to AT&T. The two incumbent local exchange carriers (ILECs) filed a joint petition on December 21, 2007, and on January 7, 2008, an amended joint petition (petition) was filed.¹

The territory in question consists of a small section (six single family lots) of the Sunlight Ranch development in Martin County which is part of the ITS Indiantown Exchange. The current boundary line divides the planned subdivision and individual lots. No subscribers currently live in the area to be transferred. The petition states that the transfer of this territory to

the AT&T Stuart Exchange would render the boundaries more usable in the provision and administration of service.

We are vested with jurisdiction in this matter pursuant to Section 364.335, Florida Statutes (F.S.). Petitions for territorial transfers are governed by Rule 25-4.005, F.A.C.

DECISION

The petition requests that six single family lots in a planned development be moved from the Indiantown Exchange to the Stuart Exchange thereby placing all lots and portions of lots in the subdivision in the same exchange. All future customers in the subdivision would then be under the same AT&T General Subscriber Services Tariff.

In compliance with Rule 25-4.005, F.A.C., the petition states that neither AT&T nor ITS hold any deposits or deposit interest since there are no customers in the subject territory, there are no pending applications for service at this time, and no financial exchange has or will be given for the transfer of the territory in question.

Rule 25-4.005, F. A. C., requires that a notice of intent be provided to the Public Counsel and the governing bodies of any affected municipalities or counties in addition to this Commission. The rule also requires the publication of a notice in an area newspaper on two separate occasions, at least two weeks prior to filing the petition. In compliance with this rule, a sworn affidavit stating the notice of intent had been properly provided to the required officials, and a sworn affidavit of publication with a copy of the legal advertisement were included with the petition.

Upon review of the petition, we find that the request is in the public interest and would eliminate future provision of service confusion in the subdivision such as which ILEC is the appropriate local service provider and what repair service, calling scopes, and rates apply.

Therefore, we hereby approve the joint petition of AT&T and ITS to transfer territories in Martin County and to amend certificates.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the joint petition filed by AT&T and ITS meets the requirements of Rule 25-4.005, F.A.C., Transfer of Certificate of Public Convenience and Necessity as to All or Portion of Service Area is hereby granted. It is further

ORDERED that AT&T and ITS shall file tariffs with the Division of Competitive Markets and Enforcement reflecting the exchange boundaries changes within 60 days of the issuance date of the consummating order. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that in the event this Order becomes final, this docket shall be closed upon the filing of tariffs by AT&T and ITS reflecting the exchange boundaries changes within 60 days of the issuance date of the consummating order.

By ORDER of the Florida Public Service Commission this 19th day of February, 2008.
