NOTICE OF PROPOSED AGENCY ACTION ORDER  
GRANTING CANCELLATION OF COMPETITIVE LOCAL EXCHANGE CERTIFICATE  
AND INTRASTATE INTEREXCHANGE COMPANY  
TARIFF AND REMOVAL FROM THE REGISTER DUE TO BANKRUPTCY

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

CAT Communications International, Inc. currently holds Competitive Local Exchange Carrier (CLEC) Certificate No. 7160 and Intrastate Interexchange Telecommunications Carrier (IXC) Registration No. TJ276.

Pursuant to Section 364.336, Florida Statutes, telecommunications companies must pay a minimum annual Regulatory Assessment Fee if the certificate was active during any portion of the calendar year and provides for late payment charges as outlined in Section 350.113, Florida Statutes, for any delinquent amounts.

On June 30, 2008, this Commission received a letter dated June 24, 2008 from the company's representative, Ms. Ginny Shelton, that CAT Communications International, Inc. had ceased operations in Florida in January 2007 due to its bankruptcy filing, and requested cancellation of its CLEC certificate and IXC registration. Our staff researched this and found

that the company filed for Chapter 11 bankruptcy protection on June 3, 2008, with the US Bankruptcy Court, Western District of Virginia (Roanoke), Case No. 08-71013. The case was converted to a Chapter 7 bankruptcy proceeding on August 27, 2008. In addition, the company filed a request for "withdrawal of authority to transact business or conduct affairs in Florida" with the Florida Department of State, Division of Corporations on September 17, 2007.

The company has filed for bankruptcy, and pursuant to 11 USCS § 362 (b)(4) of the US Bankruptcy Code, the filing of a petition for bankruptcy relief acts as an automatic stay that enjoins a governmental entity from exercising its regulatory authority to collect a pre-petition debt. Additionally, in any bankruptcy liquidation or reorganization, secured creditors are given the highest priority in the distribution and, normally, receive all of the distributed assets. Regulatory Assessment Fees (RAFs), late payment charges, and penalties owed by a company to the Florida Public Service Commission, as well as monetary settlements of cases resolving issues of failure to pay such fees, are not secured debts and, as a practical matter, are uncollectible in a bankruptcy proceeding where liquidation occurs. Therefore, this Commission would be prevented from collecting the Regulatory Assessment Fees owed by this company, and from assessing and collecting a penalty for failure to pay the fees. The company owes a balance on the 2005, the 2007 and 2008 RAFs, and late payment charges for the years 2005, 2006, and 2007 for its CLEC certificate. The company owes the 2007 and 2008 RAFs, and late payment charges for the years 1999 and 2007 on its IXC registration.

We are vested with jurisdiction over this matter pursuant to Sections 364.02, 364.336, 364.337, and 364.285, Florida Statutes. Accordingly, we hereby find that CAT Communications International, Inc.'s CLEC Certificate No. 7160 and IXC Registration No. TJ276 shall be cancelled due to bankruptcy, effective June 30, 2008. In addition, any unpaid Regulatory Assessment Fees shall not be sent to the Florida Department of Financial Services for collection, and permission for this Commission to write off the uncollectible amount shall be requested. CAT Communications International, Inc. shall immediately cease and desist providing competitive local exchange and intrastate interexchange telecommunications services in Florida.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that CAT Communications International, Inc.'s Certificate No. 7160 to provide competitive local exchange telecommunications service is hereby cancelled, effective June 30, 2008, due to bankruptcy. It is further

ORDERED by the Florida Public Service Commission that CAT Communications International, Inc.'s Registration No. TJ276 to provide intrastate interexchange telecommunications service is hereby cancelled, effective June 30, 2008, due to bankruptcy. It is further

ORDERED that the outstanding Regulatory Assessment Fees, including accrued statutory late payment charges, shall not be sent to the Department of Financial Services for collection.

The Division of Administrative Services, instead, shall request permission to write off the uncollectible amount. It is further

ORDERED that if CAT Communications International, Inc.'s CLEC certificate and IXC tariff is cancelled and its name removed from the register in accordance with this Order, it shall immediately cease and desist providing telecommunication services in Florida. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that in the event this Order becomes final, this docket shall be closed.

By ORDER of the Florida Public Service Commission this 3rd day of December, 2008.
