DOCKET NO. 070231-EI

In re: Petition for approval of underground conversion tariff revisions, by Florida Power & Light Company.

DOCKET NO. 080244-EI

ORDER NO. PSC-09-0114-PCO-EI

ISSUED: February 25, 2009

**ORDER CONSOLIDATING DOCKETS AND
ESTABLISHING PROCEDURE**

I. Case Background

Docket No. 070231-EI

On October 13, 2006, Florida Power and Light Company (FPL) notified the Commission pursuant to Rule 25-6.078, Florida Administrative Code (F.A.C.), that its underground cost differential for the standard low-density subdivision varied from its approved differential by 31.01 percent. To comply with the 10-percent filing requirement of that rule, FPL filed its petition for approval of 2007 revisions to FPL's underground residential differential (URD) and underground commercial/industrial distribution tariffs on April 2, 2007, in Docket No. 070231-EI).

By Order No. PSC-07-0835-TRF-EI, issued October 16, 2007, the Commission proposed to approve the tariffs in Docket No. 070231-EI. However, on November 6, 2007, the Municipal Underground Utilities Consortium (MUUC) and the City of Coconut Creek (City) filed their timely protest of that Order and their Request for Formal Proceeding. Accordingly, a formal hearing was scheduled for May 21-22, 2008. On January 30, 2008, the City of South Daytona, Florida (South Daytona) filed a Petition to Intervene in the docket.

On February 11, 2008, FPL filed an Agreed Motion for Continuance of Protest and Request for a Formal Proceeding by MUUC and Coconut Creek (Motion for Continuance) in which FPL agreed to file revised URD and underground commercial/industrial distribution tariffs and their associated charges by April 1, 2008, if MUUC and Coconut Creek agreed to a continuance of their protests. FPL was not able to contact South Daytona by the time the Agreed Motion was filed. The Motion for Continuance in this docket was granted by Order No. PSC-08-0141-PCO-EI, issued March 6, 2008.

FPSC-COMMISSION CLERK

On April 1, 2008, FPL filed revised URD and underground commercial/industrial tariffs, which it alleged reflected the changes in Rule 25-6.078, F.A.C., which require certain additional operating costs to be taken into consideration. On June 3, 2008, this Commission issued Order No. PSC-08-0371-PCO-EI, suspending the revised April 1, 2008, tariffs, which kept the URD and underground commercial/industrial distribution tariffs filed on April 2, 2007, and approved in Order No. PSC-07-0835-TRF-EI, in effect. Those tariffs had remained in effect with any charges held subject to refund pending resolution of the protest.

By Order No. PSC-08-0486-PC-EI, issued August 1, 2008, South Daytona's intervention was granted. By Order No. PSC-08-0774-TRF-EI, issued November 24, 2008, the Commission proposed to approve the April 1, 2008, tariffs in Docket No. 070231-EI. On December 15, 2008, MUUC timely protested Order No. PSC-08-0774-TRF-EI, requesting this matter be set for a formal hearing. On December 16, 2008, South Daytona filed an untimely protest. Pending resolution of the protests, the April 1, 2008, tariffs have remained in effect with any charges collected held subject to refund.

Docket No. 080244-EI

In Docket No. 080244-EI, on April 30, 2008, FPL filed a petition, requesting approval of its underground conversion tariffs, in order to implement the requirement of amended Rule 25-6.115, F.A.C.

On May 28, 2008, MUUC filed a petition to intervene, which was granted by Order No. PSC-08-0460-PCO-EI, issued on July 17, 2008. On June 5, 2008, the South Daytona filed a petition to intervene, which was granted by Order No. PSC-08-0461-PCO-EI, issued on July 17, 2008. By Order No. PSC-08-0431-PCO-EI, issued July 1, 2008, the Commission suspended FPL's proposed tariff in Docket No. 080244-EI.

By Order No. PSC-08-0780-TRF-EI, issued November 26, 2008, the Commission proposed to approve these tariffs in Docket No. 080244-EI. On December 17, 2008, MUUC timely protested Order No. PSC-08-0780-TRF-EI, requesting this matter be set for a formal hearing. On December 22, 2008, South Daytona filed an untimely protest.

Consolidation

Rule 28-106.108, F.A.C., states, "[i]f there are separate matters which involve similar issues of law or fact, or identical parties, the matters may be consolidated if it appears that consolidation would promote the just, speedy and inexpensive resolution of the proceedings, and would not unduly prejudice the rights of the party." Each of the dockets at issue here contain similar issues of law or fact. Furthermore, the dockets involve the same intervening parties. Holding separate hearings in each of these dockets will cause unnecessary duplication of time and resources. Based on the foregoing, I find that consolidation of these dockets will promote the just, speedy and less expensive resolution of the proceedings, and will not unduly prejudice the rights of any party. Accordingly, Docket Nos. 070231-EI and 080244-EI are hereby consolidated, both dockets will remain open, and all filings shall be combined in the file for

Docket No. 080244-EI, which will become the primary docket. The consolidated cases will be governed by the procedures set forth below, and are scheduled for a formal administrative hearing on June 3-4, 2009.

This Order is issued pursuant to the authority granted by Rule 28-106.211, F.A.C., which provides that the presiding officer before whom a case is pending may issue any orders necessary to effectuate discovery, prevent delay, and promote the just, speedy, and inexpensive determination of all aspects of the case.

II. General Filing Procedures

In accordance with Rule 25-22.028, F.A.C., parties filing documents in this proceeding shall submit the original document and the appropriate number of copies to the Office of Commission Clerk for filing in the Commission's docket file. Filings may be made by mail, hand delivery, courier service, or in some instances electronically. Please refer to the rule for the requirements of filing on diskette for certain utilities. To the extent possible, all filings made electronically or on diskette shall be provided in Microsoft Word format. Filings pertaining to this docket should identify the assigned docket number and should be addressed to:

Office of Commission Clerk
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, Florida 32399-0850

III. Prefiled Testimony and Exhibits

Each party shall file, in writing, all testimony and exhibits that it intends to sponsor, pursuant to the schedule set forth in Section VIII of this Order. An original and 15 copies of all testimony and exhibits shall be filed with the Office of Commission Clerk by 5:00 p.m. on the date due. A copy of all prefiled testimony and exhibits shall be served by regular mail, overnight mail, or hand delivery to all other parties and staff no later than the date filed with the Commission. Failure of a party to timely prefile exhibits and testimony from any witness in accordance with the foregoing requirements may bar admission of such exhibits and testimony.

Testimony shall be typed on 8 ½ inch x 11 inch transcript-quality paper, double-spaced, with 25 numbered lines, on consecutively numbered pages, with left margins sufficient to allow for binding (1.25 inches).

Each exhibit sponsored by a witness in support of his or her prefiled testimony shall be:

- (1) Attached to that witness' testimony when filed;
- (2) Sequentially numbered beginning with 1 (any exhibits attached to subsequently filed testimony of the same witness shall continue the sequential numbering system);

- (3) Identified in the upper right-hand corner of each page by the docket number, a brief title, and the witness' initials followed by the exhibit's number; and
- (4) Paginated by showing in the upper right-hand corner of each page the page number followed by the total number of pages in the exhibit.

An example of the information to appear in the upper right-hand corner of the exhibit is as follows:

Docket Nos. 080244-EI and 070231-EI
Foreign Coal Shipments to Port of Tampa
Exhibit BLW-1, Page 1 of 2

After an opportunity for opposing parties to object to introduction of the exhibits and to cross-examine the witness sponsoring them, exhibits may be offered into evidence at the hearing.

IV. Discovery Procedures

A. General Requirements

Discovery shall be conducted in accordance with the provisions of Chapter 120, Florida Statutes (F.S.), and the relevant provisions of Chapter 366, F.S., Rules 25-22, 25-40, and 28-106, F.A.C., and the Florida Rules of Civil Procedure (as applicable), as modified herein or as may be subsequently modified by the Prehearing Officer.

Unless subsequently modified by the Prehearing Officer, the following shall apply:

- (1) Discovery shall be completed by May 27, 2009.
- (2) Discovery requests shall be served by e-mail, hand delivery, or overnight mail. If a request is served electronically, a hard copy of the request shall be served by hand-delivery, U.S. Mail, or overnight mail on the day that the request is served electronically.
- (3) Sets of interrogatories, requests for admissions, requests for production of documents, or other forms of discovery shall be numbered sequentially in order to facilitate their identification.
- (4) Within each set, discovery requests shall be numbered sequentially, and any discovery requests in subsequent sets shall continue the sequential numbering system.
- (5) Discovery responses shall be served within 30 calendar days (inclusive of mailing) of receipt of the discovery request. If responses are served electronically, a hard copy of the responses shall be served by hand-delivery, U.S. Mail, or overnight mail on the day that responses are served electronically.
- (6) Each page of every document produced pursuant to requests for production of documents shall be identified individually through the use of a Bates Stamp or other equivalent method of sequential identification. Parties should number their produced documents in an unbroken sequence through the final hearing.

- (7) Copies of discovery requests and responses shall be served on parties other than the party from whom discovery is sought to the extent required by the applicable provisions of the Florida Rules of Civil Procedure. In addition, copies of all responses to requests for production of documents shall be provided to the Commission staff at its Tallahassee office unless otherwise agreed.

Unless subsequently modified by the Prehearing Officer, the following shall apply:

- (1) Interrogatories, including all subparts, shall be limited to 100.
- (2) Requests for production of documents, including all subparts, shall be limited to 100.
- (3) Requests for admissions, including all subparts, shall be limited to 50.

When a discovery request is served and the respondent intends to seek clarification of any portion of the discovery request, the respondent shall request such clarification within 10 days of service of the discovery request. Further, any specific objections to a discovery request shall be made within 10 days of service of the discovery request. These procedures are intended to reduce delay in resolving discovery disputes.

B. Confidential Information Provided Pursuant to Discovery

Any information provided to the Commission staff pursuant to a discovery request by the staff or any other person and for which proprietary confidential business information status is requested pursuant to Section 366.093, F.S., and Rule 25-22.006, F.A.C., shall be treated by the Commission as confidential. The information shall be exempt from Section 119.07(1), F.S., pending a formal ruling on such request by the Commission or pending return of the information to the person providing the information. If no determination of confidentiality has been made and the information has not been made a part of the evidentiary record in this proceeding, it shall be returned to the person providing the information. If a determination of confidentiality has been made and the information was not entered into the record of this proceeding, it shall be returned to the person providing the information within the time period set forth in Section 366.093(4), F.S. The Commission may determine that continued possession of the information is necessary for the Commission to conduct its business.

When a person provides information that it maintains as proprietary confidential business information to the Office of Public Counsel pursuant to a discovery request by the Office of Public Counsel or any other party, that party may request a temporary protective order pursuant to Rule 25-22.006(6)(c), F.A.C., exempting the information from Section 119.07(1), F.S.

When a party other than the Commission staff or Office of Public Counsel requests information through discovery that the respondent maintains as proprietary confidential business information, or when such a party would otherwise be entitled to copies of such information requested by other parties through discovery (e.g., interrogatory responses), that party and respondent shall endeavor in good faith to reach agreement that will allow for the exchange of such information on reasonable terms, as set forth in Rule 25-22.006(7)(b), F.A.C.

V. Prehearing Procedures

A. Prehearing Statements

All parties in this docket and the Commission staff shall file a prehearing statement pursuant to the schedule set forth in Section VIII of this Order. The original and seven copies of each prehearing statement shall be filed with the Office of Commission Clerk by 5:00 p.m. on the date due. A copy of the prehearing statement shall be served on all other parties and staff no later than the date it is filed with the Commission.

Each party's prehearing statement shall set forth the following information in the sequence listed below:

- (1) The name of all known witnesses whose testimony has been prefiled or who may be called by the party, along with subject matter of each such witness' testimony;
- (2) A description of all prefiled exhibits and other exhibits that may be used by the party in presenting its direct case (including individual components of a composite exhibit) and the witness sponsoring each;
- (3) A statement of the party's basic position in the proceeding;
- (4) A statement of each question of fact, question of law, and policy question that the party considers at issue, along with the party's position on each issue, and, where applicable, the names of the party's witness(es) who will address each issue. Parties who wish to maintain "no position at this time" on any particular issue or issues should refer to the requirements of subsection C, below;
- (5) A statement of issues to which the parties have stipulated;
- (6) A statement of all pending motions or other matters the party seeks action upon;
- (7) A statement identifying the party's pending requests or claims for confidentiality;
- (8) Any objections to a witness' qualifications as an expert. Failure to identify such objection will result in restriction of a party's ability to conduct voir dire absent a showing of good cause at the time the witness is offered for cross-examination at hearing;
- (9) A statement as to any requirement set forth in this order that cannot be complied with, and the reasons therefore.

Failure of a party to timely file a prehearing statement shall be a waiver of any issue not raised by other parties or by the Commission. In addition, such failure shall preclude the party from presenting testimony in support of its position on each such issue.

B. Attendance at Prehearing Conference

Pursuant to Rule 28-106.209, F.A.C., a Prehearing Conference will be held on May 18, 2008, at the Betty Easley Conference Center, 4075 Esplanade Way, Tallahassee, Florida. Unless excused by the Prehearing Officer for good cause shown, each party (or designated representative) shall personally appear at the prehearing conference. Failure of a party (or that party's representative) to appear shall constitute waiver of that party's issues and positions, and that party may be dismissed from the proceeding.

C. Waiver of Issues

Any issue not raised by a party either before or during the Prehearing Conference shall be waived by that party, except for good cause shown. A party seeking to raise a new issue after the Prehearing Conference shall demonstrate each of the following:

- (1) The party was unable to identify the issue because of the complexity of the matter.
- (2) Discovery or other prehearing procedures were not adequate to fully develop the issue.
- (3) Due diligence was exercised to obtain facts touching on the issue.
- (4) Information obtained subsequent to the Prehearing Conference was not previously available to enable the party to identify the issue.
- (5) Introduction of the issue would not be to the prejudice or surprise of any party.

Specific reference shall be made to the information received and how it enabled the party to identify the issue.

Unless a matter is not at issue for that party, each party shall take a position on each issue by the time of the Prehearing Conference or by such later time as may be permitted by the Prehearing Officer. If a party is unable through diligence and good faith efforts to take a position on a matter at issue for that party, it shall explicitly state in its Prehearing Statement why it cannot take a position. If the Prehearing Officer finds that the party has acted diligently and in good faith to take a position, and further finds that the party's failure to take a position will not prejudice other parties or confuse the proceeding, the party may maintain "no position at this time" prior to hearing and thereafter identify its position in a post-hearing statement of issues. In the absence of such a finding by the Prehearing Officer, the party shall have waived the entire issue, and the party's position shall be shown as "no position" in the Prehearing Order. When an issue and position have been properly identified, any party may adopt that issue and position in its post-hearing statement. Commission staff may take "no position at this time" or a similar position on any issue without having to make the showing described above.

D. Motions to Strike Prefiled Testimony and Exhibits

Motions to strike any portion of the prefiled testimony and related portions of exhibits of any witness shall be made in writing no later than the Prehearing Conference. Motions to strike

any portion of prefiled testimony and related portions of exhibits at hearing shall be considered untimely, absent good cause shown.

E. Demonstrative Exhibits

If a party wishes to use a demonstrative exhibit or other demonstrative tools at hearing, such materials must be identified by the time of the Prehearing Conference.

F. Official Recognition

Parties seeking official recognition of materials pursuant to Section 120.569(2)(i), F.S., shall notify all other parties and staff in writing no later than two business days prior to the first scheduled hearing date. Such notification shall identify all materials for which the party seeks official recognition, and to the extent such materials may not be readily available to all parties, such materials shall be provided along with the notification.

VI. Hearing Procedures

A. Attendance at Hearing

Unless excused by the Presiding Officer for good cause shown, each party (or designated representative) shall personally appear at the hearing. Failure of a party, or that party's representative, to appear shall constitute waiver of that party's issues, and that party may be dismissed from the proceeding.

Likewise, all witnesses are expected to be present at the hearing unless excused by the Presiding Officer upon the staff attorney's confirmation prior to the hearing date of the following:

- (1) All parties agree that the witness will not be needed for cross examination.
- (2) All Commissioners assigned to the panel do not have questions for the witness.

In the event a witness is excused in this manner, his or her testimony may be entered into the record as though read following the Commission's approval of the proposed stipulation of that witness' testimony.

B. Avoidance of Friendly Cross-Examination

The parties shall avoid duplicative or repetitious cross-examination. Friendly cross-examination will not be allowed. Cross-examination shall be limited to witnesses whose testimony is adverse to the party desiring to cross-examine. Any party conducting what appears to be a friendly cross-examination of a witness should be prepared to indicate why that witness's direct testimony is adverse to its interests.

C. Use of Confidential Information at Hearing

It is the policy of this Commission that all Commission hearings be open to the public at all times. The Commission also recognizes its obligation pursuant to Section 366.093, F.S., to protect proprietary confidential business information from disclosure outside the proceeding. Therefore, any party wishing to use any proprietary confidential business information, as that term is defined in Section 366.093, F.S., at the hearing shall adhere to the following:

- (1) When confidential information is used in the hearing, parties must have copies for the Commissioners, necessary staff, and the court reporter, in red envelopes clearly marked with the nature of the contents. Any party wishing to examine the confidential material that is not subject to an order granting confidentiality shall be provided a copy in the same fashion as provided to the Commissioners, subject to execution of any appropriate protective agreement with the owner of the material.
- (2) Counsel and witnesses are cautioned to avoid verbalizing confidential information in such a way that would compromise confidentiality. Therefore, confidential information should be presented by written exhibit when reasonably possible.

At the conclusion of that portion of the hearing that involves confidential information, all copies of confidential exhibits shall be returned to the proffering party. If a confidential exhibit has been admitted into evidence, the copy provided to the court reporter shall be retained in the Office of Commission Clerk's confidential files. If such information is admitted into the evidentiary record at hearing and is not otherwise subject to a request for confidentiality filed with the Commission, the source of the information must file a request for confidential classification of the information within 21 days of the conclusion of the hearing, as set forth in Rule 25-22.006(8)(b), F.A.C., if continued confidentiality of the information is to be maintained.

VII. Post-Hearing Procedures

If the assigned panel does not render a bench decision at the hearing, it may allow each party to file a post-hearing statement of issues and positions pursuant to the schedule set forth in Section VIII of this Order. In such event, a summary of each position of no more than 50 words, set off with asterisks, shall be included in that statement. If a party's position has not changed since the issuance of the prehearing order, the post-hearing statement may simply restate the prehearing position. However, the position must be reduced to no more than 50 words. If a post-hearing statement is required and a party fails to file in conformance with the rule, that party shall have waived all issues and may be dismissed from the proceeding.

Pursuant to Rule 28-106.215, F.A.C., a party's proposed findings of fact and conclusions of law, if any, statement of issues and positions, and brief, shall together total no more than 40 pages and shall be filed at the same time, unless modified by the Presiding Officer.
