NOTICE OF PROPOSED AGENCY ACTION ORDER
CANCELLING INTRASTATE INTEREXCHANGE TELECOMMUNICATIONS TARIFFS
AND REGISTRATIONS ON THE COMMISSION'S OWN MOTION

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

MLC Tel Corp., CVT Prepaid Solutions, Inc., Comtel Networks, Corp., and Telcom.Net, Inc., currently hold Intrastate Interexchange Telecommunications (IXC) Registration Nos. TJ915, TK137, TK154, and TJ067, respectively. Pursuant to Section 364.336, Florida Statutes, telecommunications companies must pay a minimum annual Regulatory Assessment Fee (RAF)

for each certificate or registration if the certificate or registration was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Pursuant to Section 350.113(4), Florida Statutes, the Regulatory Assessment Fee return forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due. In addition, Rule 25-24.474, Florida Administrative Code, provides that intrastate interexchange companies must pay any current and past due Regulatory Assessment Fees with its request for cancellation.

This Commission received letters from each entity requesting cancellation of their respective tariffs and removal of their names from the IXC register. Our staff contacted each entity and advised that any unpaid RAFs, along with accrued late payment charges, needed to be paid before a voluntary cancellation could be granted. MLC Tel Corp. owes the 2008 and 2009 RAFs, along with statutory late payment charges for the years 2006 and 2008. CVT Prepaid Solutions, Inc. owes the 2008 RAF, along with accrued statutory late payment charges. Comtel Networks, Corp. owes the 2008 RAF, along with accrued statutory late payment charges. Telcom.Net, Inc. owes the 2008 and 2009 RAFs, along with accrued statutory late payment charges.

For the reasons described above, we deny MLC Tel Corp., CVT Prepaid Solutions, Inc., Comtel Networks, Corp., and Telcom.Net, Inc.'s requests for voluntary cancellation of their respective IXC tariffs and removal of their names from the register. However, we find it appropriate to involuntarily cancel each entity's respective IXC tariff and remove each entity's name from the register, effective the date as listed in each entity's respective docket title, on this Commission's own motion for failure to comply with Rule 25-24.474, Florida Administrative Code, and pursuant to Section 364.336, Florida Statutes.

The cancellation of an IXC tariff and removal of an entity's name from the register in no way diminishes that entity's obligation to pay the applicable Regulatory Assessment Fees, including any accrued statutory late payment charges. If this Order is not protested, each entity's respective IXC tariff shall be cancelled, and their respective names removed from the register. If an entity pays the Regulatory Assessment Fees, along with accrued late payment charges, prior to the expiration of the Proposed Agency Action Order, then the cancellation of that entity's IXC tariff and removal of its name from the register will be voluntary. If an entity fails to protest the Order or pay the Regulatory Assessment Fees, along with accrued late payment charges, prior to the expiration of the Proposed Agency Action Order, then that entity's IXC tariff shall be cancelled administratively and its name removed from the register, and the collection of the unpaid Regulatory Assessment Fees, including accrued statutory late payment charges, shall be referred to the Florida Department of Financial Services for further collection efforts. If an entity's respective IXC tariff is cancelled and its name removed from the register in accordance with this Order, that entity shall be required to immediately cease and desist providing telecommunications service in Florida. These dockets shall be closed administratively either upon receipt of the payment of the Regulatory Assessment Fees, including accrued late payment charges, or upon cancellation of each entity's respective IXC tariff and removal of its name from the register. If an entity's IXC tariff is cancelled and its name removed from the register, and an

entity subsequently decides to reregister as a telecommunications company, that entity shall be required to first pay any unpaid Regulatory Assessment Fees, including any accrued statutory late payment charges. We are vested with jurisdiction over these matters pursuant to Sections 364.336, 364.02, and 364.285, Florida Statutes.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that pursuant to Rule 25-24.474, Florida Administrative Code, MLC Tel Corp., CVT Prepaid Solutions, Inc., Comtel Networks, Corp., and Telcom.Net, Inc.'s respective IXC tariff and respective Registration Nos. TJ915, TK137, TK154, and TJ067, are hereby cancelled and their names removed from the register effective March 5, 2009, December 31, 2008, December 31, 2008, and March 13, 2009, respectively, on this Commission's own motion for failure to pay any applicable Regulatory Assessment Fees, including accrued statutory late payment charges, in full pursuant to Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. It is further

ORDERED that the cancellation of an entity's IXC tariff, including removal of its respective name from the register, in no way diminishes any entity's obligation to pay the applicable Regulatory Assessment Fees, including any accrued statutory late payment charges. If an entity's IXC tariff is cancelled and its respective name removed from the register, and that entity subsequently decides to reregister as a telecommunications company, that entity shall be required to first pay any unpaid Regulatory Assessment Fees, including accrued statutory late payment charges. It is further

ORDERED that if MLC Tel Corp., CVT Prepaid Solutions, Inc., Comtel Networks, Corp., and Telcom.Net, Inc., pay the Regulatory Assessment Fees, including any statutory late payment charges, prior to the expiration of the Proposed Agency Action Order, the cancellation of their respective tariff and removal of their respective name from the register shall be deemed voluntary. It is further

ORDERED that if MLC Tel Corp., CVT Prepaid Solutions, Inc., Comtel Networks, Corp., and Telcom.Net, Inc., do not pay the Regulatory Assessment Fees, including any statutory late payment charges, prior to the expiration of the Proposed Agency Action Order, the collection of the Regulatory Assessment Fees shall be referred to the Florida Department of Financial Services for further collection efforts. It is further

ORDERED that if MLC Tel Corp., CVT Prepaid Solutions, Inc., Comtel Networks, Corp., and Telcom.Net, Inc.'s respective IXC tariffs are cancelled and their names removed from the register in accordance with this Order, that entity shall immediately cease and desist providing telecommunications service in Florida. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-

0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that any protest to the action proposed herein shall specify the entity or entities to which it applies. It is further

ORDERED that if a protest to this Order is filed, the protest shall not prevent the action proposed herein from becoming final with regard to the remaining entities listed in this Order. It is further

ORDERED that in the event this Order becomes final, these dockets shall be closed administratively either upon receipt of the payment of the Regulatory Assessment Fees, including accrued late payment charges, or upon cancellation of each entity's respective IXC tariff and removal of each entity's respective name from the register.

By ORDER of the Florida Public Service Commission this 5th day of May, 2009.
