ORDER ACKNOWLEDGING QUICK TAKE AMENDMENT OF CERTIFICATE
NOS. 496-W AND 465-S BY LAKE UTILITY SERVICES, INC.

BY THE COMMISSION:

Background

Lake Utility Services, Inc. (LUSI or Utility) is a Class A water and wastewater utility located in Lake County, south of Clermont on U. S. Highway 27. The Utility was serving 8,659 water customers and 2,860 wastewater customers in 2007. The Utility's service area in Lake County is in the St. Johns River Water Management District.

On January 20, 2009, the Utility filed its application for a "Quick Take" amendment to Certificate Nos. 496-W and 465-S pursuant to Rule 25-30.036(2), Florida Administrative Code (F.A.C.). We have jurisdiction pursuant to Section 367.045, Florida Statutes (F.S.).

Acknowledging Quick Take Amendment

The "Quick Take" amendment is designed to provide water and/or wastewater service quickly for areas that serve less than 25 equivalent residential connections (ERCs). The request for service territory expansion and amendment of existing certificates is considered approved when the utility complies with Rule 25-30.036(2), F.A.C., and if no protest is timely filed to the notice of application.

On January 20, 2009, LUSI filed this application for a "Quick Take" amendment to Certificate Nos. 496-W and 465-S for new territory in Lake County, pursuant to Rule 25-30.036(2), F.A.C. The proposed territory will include six ERCs, comprised of a church and two office buildings. The application is in compliance with the governing statute, Section 367.045,

F.S., and other pertinent statutes and administrative rules concerning an application for amendment of certificate.

The Utility has filed revised tariff sheets incorporating the additional territory into its tariff. The Utility has sufficient capacity to serve its existing and proposed customers.

Based on the above information, we find that it is in the public interest to acknowledge the "Quick Take" amendment application filed by LUSI to amend its territory to reflect the area described in Attachment A, appended hereto. This Order shall serve as LUSI's amended certificate and shall be retained by the Utility. The existing charges contained in LUSI's tariff shall be applied to the customers in the new service territory until LUSI is authorized to change by this Commission in a subsequent proceeding.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Lake Utility Services, Inc.'s application to amend Certificate Nos. 496-W and 465-S is hereby approved as set forth herein. It is further

ORDERED that all attachments appended hereto are incorporated herein by reference. It is further

ORDERED that this Order shall serve as Lake Utility Services, Inc.'s amended certificates and shall be retained by the utility. It is further

ORDERED that Lake Utility Services, Inc. shall charge the customers in the added territory herein the rates and charges approved in its tariff until authorized to change by this Commission in a subsequent proceeding. It is further

ORDERED that this docket shall be closed.

By ORDER of the Florida Public Service Commission this 6th day of May, 2009.
