FINAL ORDER GRANTING APPROVAL FOR
AUTHORITY TO ISSUE AND SELL SECURITIES

Pursuant to Chapter 25-8, Florida Administrative Code (F.A.C.), and Section 366.04, Florida Statutes (F.S.), Florida Public Utilities Company (FPUC) seeks permission to issue and sell and/or exchange any combination of the long-term debt, short-term notes and equity securities and/or to assume liabilities or obligations as guarantor, endorser or surety in an incremental amount not to exceed \$45 million, excluding retained earnings, during the calendar year 2010.

The long-term debt securities may include first mortgage bonds, private activity bonds, medium-term notes, debentures convertible or exchangeable debentures, notes, convertible or exchangeable notes, or other straight debt or hybrid debt securities, whether secured or unsecured, with maturities ranging from one to one hundred years. The expected interest rate on long-term debt is 6.17%.

FPUC seeks authority to issue up to \$25 million of short-term notes to give FPUC financial flexibility with respect to future permanent financing. On June 30, 2009, the short-term notes interest rate was 1.10875%.

The equity securities would be common stock issued at Fair Market Value less any issuance costs. The expected dividend rate for common shares would be \$.47 per share annually. The expected issuance price for common stock would be \$11.00 per share (net) with a maximum number of shares to be issued of two million for a net outstanding number of shares not to exceed nine million.

It appears that FPUC has complied with the requirements of Section 366.04, F.S., and Chapter 25-8, F.A.C., in applying for the authority to issue and sell securities. Therefore, FPUC's application is hereby granted.
