

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Notice of appointment of receiver for Service Management Systems, Inc. in Brevard County pursuant to Circuit Court foreclosure proceeding.

DOCKET NO. 100094-WS
ORDER NO. PSC-10-0329-FOF-WS
ISSUED: May 24, 2010

The following Commissioners participated in the disposition of this matter:

NANCY ARGENZIANO, Chairman
LISA POLAK EDGAR
NATHAN A. SKOP
DAVID E. KLEMENT
BEN A. "STEVE" STEVENS III

ORDER ACKNOWLEDGING APPOINTMENT OF RECEIVER

BY THE COMMISSION:

Background

Service Management Systems, Inc. (SMS or utility) is a Class B utility that provides water, wastewater, and non-potable irrigation services to approximately 370 customers in Brevard County. The utility's 2008 annual report shows combined water and wastewater revenues of \$379,622 and a net operating loss of \$75,994.

The utility has been providing service to customers in Brevard County since 1984. In 1989, we granted the utility original Certificate Nos. 517-W and 450-S.¹ A name change and series of majority control transfers by Aquarina Developments, Inc. led to the certificates being transferred to SMS under IRD Osprey, LLC d/b/a Aquarina Utilities in 2003.²

Docket No. 090019-WS was an application for transfer of majority organizational control of SMS from IRD Osprey, LLC to Oak Lodge Utility, LLC. On February 13, 2009, Compass Bank (Bank) advised our staff that SMS had an outstanding loan that was in default of the Forbearance Agreement. Staff was advised that on October 6, 2008, Compass Bank filed a foreclosure action, Compass Bank v. Service Management Systems, Inc. et al., Case No. 05-2008-CA-61639, in the Circuit Court for Brevard County, Florida. On February 3, 2010, the Eighteenth Judicial Circuit in Brevard County issued an Order Appointing Receiver of Service Management Systems, Inc. and named Mr. Dennis Basile as receiver. On February 10, 2010,

¹ Order No. 22075, issued October 19, 1989, in Docket No. 880595-WS, In re: Objections by Service Management Systems, Inc. for water and sewer certificates in Brevard County.

² By Order No. PSC-03-0787-FOF-WS, issued July 2, 2003, in Docket No. 020091-WS, In re: Application for transfer of majority organizational control of Service Management Systems, Inc., holder of Certificates Nos. 517-W and 450-S in Brevard County, from Petrus Group, L.P. to IRD Osprey, LLC d/b/a Aquarina Utilities.

DOCUMENT NUMBER-DATE

04368 MAY 24 0

FFSC-COMMISSION CLERK

Oak Lodge Utility, LLC filed a letter withdrawing its application for transfer of majority organization control.

This order acknowledges the appointment of Mr. Dennis Basile as the receiver for SMS. We have jurisdiction pursuant to Sections 367.145 and 367.071, Florida Statutes (F.S.).

Acknowledgement of Receiver

By order issued February 3, 2010, the Circuit Court appointed Mr. Dennis Basile as the receiver for SMS. The responsibility of the receiver is to operate the utility efficiently and effectively until disposition of the property. With the appointment of the receiver, the utility is not owned or controlled by a governmental entity. Therefore, the utility will retain Certificate Nos. 517-W and 450-S and will remain under our jurisdiction.

Pursuant to Rule 25-30.090(3), F.A.C., within 10 days of the appointment of a receiver by the circuit court, the receiver shall request from this Commission a copy of the utility's tariff and most recent annual report. That information has been provided to Mr. Basile. The receiver has hired Mr. Whiteside, the licensed operator previously contracted by the utility, to run the system. It should be noted that Compass Bank is currently seeking a permanent owner for the SMS water and wastewater systems and intends to file an application for a transfer of the utility to the new owner.

The utility's initial rates and charges were approved in 1989. In 2002, the utility's water and wastewater rates were increased in a staff assisted rate case.³ The utility requested and was granted a 2008 Index which became effective June 6, 2008. All of the rates approved for the utility are shown on Attachment B. Pursuant to Rule 25-9.044(1), F.A.C., the rates and charges approved for the utility should be continued until authorized to be changed by this Commission in a subsequent proceeding.

According to the Department of Environmental Protection (DEP), there is no formal enforcement activity with the water system. However, the wastewater system requires several modifications and repairs in order to achieve compliance, including a repair to the clarifier drive unit and the installation of a backup blower. In a January 13, 2010, letter from DEP, the utility was given a March 13, 2010, deadline to complete the repairs. The utility has not yet made the repairs and is currently noncompliant; however, DEP is aware of the utility's current financial constraints and is working with Mr. Basile to coordinate the repairs and bring the wastewater system into compliance.

Our staff verified that, in accordance with Rule 25-30.110, F.A.C., SMS filed its annual reports for 2008 and prior years. Our staff also verified that, in accordance with Rule 25-30.120, F.A.C., the utility's regulatory assessment fees (RAFs) for 2008 and all prior years have been paid. However, the 2009 annual report has not been filed nor have the 2009 RAFs been paid. The Order appointing the receiver, issued February 3, 2010, states that the receiver shall ensure

³ Order No. PSC-03-1434-CO-WS, issued December 17, 2003, in Docket No. 021228-WS, In re: Application for staff-assisted rate case in Brevard County by Service Management Systems, Inc.

that SMS will comply with any laws, regulations, orders or requirements affecting SMS that are issued by any federal, state, county or municipal authority.^{4 5} In addition, the receiver is responsible for payment of the operating expenses that were incurred but not yet paid for the period immediately preceding the appointment of the receiver on February 3, 2010. Therefore, the receiver, on behalf of the utility, is responsible for payment of the 2009 RAFs that were due on March 31, 2010, as well as the filing of the 2009 annual report which was due to be filed on March 31, 2010. The receiver shall ensure that the utility pays its 2009 RAFs and files the 2009 annual report by June 30, 2010. In addition, the receiver shall ensure that the utility pays its 2010 RAFs and files its 2010 annual report on a timely basis, in the event a permanent owner has not been found by that time.

Based upon the foregoing, we hereby acknowledge the appointment of Mr. Dennis Basile as receiver for SMS effective February 3, 2010. The territory previously approved for this utility is described in Attachment A. The resultant order shall serve as SMS's Certificate Nos. 517-W and 450-S and shall be retained by the utility. The rates and charges approved for the utility shall be continued until authorized to change by this Commission in a subsequent proceeding. The receiver shall ensure that the utility pays its 2009 RAFs and files the 2009 annual report by June 30, 2010.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the appointment of Mr. Dennis Basile as receiver for Service Management Systems, Inc., effective February 3, 2010, is hereby acknowledged. It is further

ORDERED that all attachments appended hereto are incorporated herein by reference. It is further

ORDERED that Service Management System, Inc.'s Certificate Nos. 517-W and 450-S shall remain effective and this Order shall serve as Service Management System, Inc.'s certificates and shall be retained by the utility. It is further

ORDERED that the rates and charges approved for the utility shall be continued until authorized to change by this Commission in a subsequent proceeding. It is further

ORDERED that this docket should remain open pending payment of the 2009 regulatory assessment fees and filing of the 2009 Annual Report. Upon payment of the utility's 2009 regulatory assessment fees and filing of the utility's 2009 Annual Report, this docket shall be closed administratively.

⁴ In the Circuit Court, Eighteenth Judicial Circuit, in and for Brevard County, Florida, Order Appointing Receiver, issued February 3, 2010, Case No.: 05-2008-CA-61639, Division R, pages. 5-6.

⁵ Section 367.071(1) & (6), F.S.

By ORDER of the Florida Public Service Commission this 24th day of May, 2010.

ANN COLE
Commission Clerk

(S E A L)

KEF

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by the Commission's final action in this matter may request:

- 1) reconsideration of the decision by filing a motion for reconsideration with the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, within fifteen (15) days of the issuance of this order in the form prescribed by Rule 25-22.060, Florida Administrative Code; or
- 2) judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or the First District Court of Appeal in the case of a water and/or wastewater utility by filing a notice of appeal with the Office of Commission Clerk, and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days after the issuance of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure
