In re: Request for confidential classification of materials provided in connection with FPL Connect Service Audit, RCA 05-285-4-1, by Florida Power & Light Company.	DOCKET NO. 060224-EI ORDER NO. PSC-10-0477-CFO-EI ISSUED: July 28, 2010
--	---

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S
REQUEST FOR CONTINUED CONFIDENTIAL CLASSIFICATION

On March 15, 2010, Florida Power & Light Company (FPL), pursuant to Rule 25-22.006, Florida Administrative Code, and Section 366.093, Florida Statutes, requested that the confidential classification period granted by Order No. PSC-08-0515-CFO-EI be extended for a second 18-month period for a lesser amount of material.

On May 28, 2010, FPL filed a revised request which explains that the reason the March 15, 2010 request was filed late instead of timely (*i.e.*, by the February 12, 2010 conclusion of the previously granted 18-month confidentiality period), was that

in the beginning of 2010, [FPL] was in the process of consolidating and restructuring responsibility for [monitoring its large volume of confidentiality related orders]. Clerical errors . . . resulted in the expiration date oversight.

FPL notes that the material for which continued confidentiality is sought is information concerning the marketing of and revenues from particular Florida Power & Light Energy Services (FPLES) products and other items described in FPL's page-by-page listing of confidential documents. FPL asserts that the material is, *inter alia*, information related to competitive interests and entitled to confidential treatment pursuant to Section 366.093(3)(e). FPL further states that the material remains sensitive and continues to be treated as confidential by FPL.

Having considered FPL's explanation, I find that FPL has shown good cause for the untimely filing of its request for the extension of confidential classification and, thus, has not waived the continued confidentiality of the information listed as attached hereto. *See*, Order No. PSC-04-0857-CFO-EI, issued September 1, 2004. Thus, these documents are properly treated as confidential during the additional period of their retention by the Commission, as FPL requests. The specific action as to the contents of each of the documents, Nos. 01604-06, 01605-06, 02151-06 and 04185-06, is contained in Attachment I to this Order.

Based on the above, it is

ORDERED that Florida Power & Light Company's request for continued confidential classification of the documents listed herein is granted. It is further
