In re: Natural gas conservation cost recovery.

DOCKET NO. 100004-GU  
ORDER NO. PSC-10-0574-PCO-GU  
ISSUED: September 16, 2010

ORDER GRANTING JOINT MOTION FOR  
EXTENSION OF TIME TO FILE PROJECTION TESTIMONY

Pursuant to Rule 25-17.015(1), Florida Administrative Code (F.A.C.), the Commission has set a hearing in its continuing Natural Gas Conservation Cost Recovery (GCCR) docket for November 1-3, 2010. By Order No. PSC-10-0120-PCO-GU, the Order Establishing Procedure, issued February 26, 2010, dates were established for a number of prehearing activities, including dates for the pre-filing of testimony. According to that Order, the Utilities' Actual/Estimated True-Up and Projection Testimony and Exhibits were due on September 13, 2010. On September 13, 2010, the Florida Division of Chesapeake Utilities Corporation and Florida Public Utilities Company/Indiantown Gas Division (the Companies) filed a Joint Motion for Extension of Time to File their Actual/Estimated True-Up and Projection Testimony and Exhibits (Joint Motion).

In support of their Joint Motion, the Companies state that they have endeavored to timely complete their respective filings in time to be submitted on September 13, 2010. However, due to unforeseen challenges associated with coordinating the development of the filings for these two sister companies, which have only recently come under the same corporate umbrella, and the need to ensure the accuracy of the filings, they are unable to meet the filing deadline. Therefore, the Companies request a one day extension to file their testimony on Tuesday, September 14, 2010.

Based on the foregoing, the request is reasonable and is hereby granted. The Florida Division of Chesapeake Utilities Corporation and Florida Public Utilities Company/Indiantown Gas Division Actual/Estimated True-Up and Projection Testimony and Exhibits shall be due on September 14, 2010.

Based on the foregoing, it is

ORDERED by Commissioner Nathan A. Skop, as Prehearing Officer, that the Joint Motion For Extension of Time to File Actual/Estimated True-Up and Projection Testimony and Exhibits is granted. It is further

ORDERED that the Florida Division of Chesapeake Utilities Corporation and Florida Public Utilities Company/Indiantown Gas Division shall file their Actual/Estimated True-Up and Projection Testimony and Exhibits by September 14, 2010.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code.
