ORDER GRANTING ORIGINAL CERTIFICATES

BY THE COMMISSION:

BACKGROUND

On January 7, 2011, Equity LifeStyle Properties, Inc. (ELPI) filed an application for original water and wastewater certificates in Lake County on behalf of its subsidiary, COL Utility Systems, L.L.C. (COL Utility or Utility). Since approximately 1973, the Utility has been providing potable water and wastewater service to the Grand Island Resort Mobile Home Park (Grand Island MHP or MHP), which is located south of County Road 44 on Lake Eustis. The MHP is in the St. Johns River Water Management District (SJRWMD) in a Water Resource Caution Area.

COL Utility currently serves approximately 362 residential connections in addition to a clubhouse, billiards room, laundry room, and pool. Based on projected revenues, the Utility will be a Class C water and wastewater utility. ELPI has included the cost of water and wastewater service in customers' lot rental fees. As such, ELPI was exempt from our regulation, pursuant to Section 367.022(5), Florida Statutes (F.S.). However, our approval of the Utility's request for original water and wastewater certificates, as set forth herein, places the Utility within our regulatory jurisdiction pursuant to Section 367.031, F.S. The rates and charges associated with this Utility will be analyzed by us in this docket at a later date. ELPI has asserted within its application that it intends to offset the establishment of rates and charges with appropriate decreases in lot rental fees.

Pursuant to Section 367.031, F.S., we shall grant or deny an application for a certificate of authorization within 90 days after the official filing date of the completed application. COL Utility's application was completed on June 27, 2011; therefore, we must grant or deny the Utility's application by September 26, 2011. The purpose of this Order is to address the Utility's application for original water and wastewater certificates. We have jurisdiction pursuant to Sections 367.031, 367.045, 367.081, 367.091, and 367.101, F.S. Additional time is needed for

our staff to conduct a customer meeting, in order to allow customers to provide input regarding the Utility's quality of service and to answer customers' questions about the Utility's proposed rates and charges. A recommendation addressing initial rates and charges will be filed in this docket for determination by us at a subsequent Agenda Conference.

DECISION

On January 7, 2011, ELPI filed an application for original water and wastewater certificates in Lake County. The original filing was deficient. The deficiencies were corrected on June 27, 2011; therefore, in accordance with Section 367.083, F.S., the official filing date is June 27, 2011. The Utility's application is in compliance with the governing statutes, Sections 367.031 and 367.045, F.S., and other pertinent statutes and administrative rules concerning an application for original certificates.

Notice. The application contains proof of compliance with the noticing provisions of Rule 25-30.030, F.A.C. On July 13, 2011, an objection was filed by a resident of Grand Island MHP. By letter dated July 15, 2011, our staff responded to the objection by describing the process of a formal hearing and a protestor's rights and responsibilities. In its letter, our staff requested to be informed by July 29, 2011, should the customer intend to pursue the objection and request a formal hearing. No further correspondence was received from this customer. In addition, we received several letters from customers requesting information and voicing their concerns about the application, to which our staff responded. No further objections have been received, and the time for filing such has expired.

Territory. Adequate service territory maps and a legal description of the proposed service territory were provided, as prescribed by Rules 25-30.033(1)(l) and (n), F.A.C. The proposed service territory, approximately 54 acres, includes the area currently served by the Utility. The legal description of the proposed service territory is appended to this Order as Attachment A.

Proof of Ownership. Rule 25-30.033(1)(j), F.A.C., requires evidence in the form of a warranty deed that the utility owns the land upon which the utility treatment facilities are located or a copy of an agreement which provides for the continued use of the land, such as a 99-year lease. The application contained a copy of an unexecuted warranty deed made by MHC Grand Island, L.L.C., a wholly-owned subsidiary of ELPI and the current owner of the property on which the water and wastewater facilities are located, to COL Utility. The application indicated that the deed will be executed upon issuance of a final order granting water and wastewater certificates to the Utility. We find that, pursuant to Rule 25-30.033(1)(j), F.A.C., the Utility shall be required to submit an executed and recorded copy of the warranty deed within 30 days after the date of this Order granting the certificates.

Financial and Technical Ability. In accordance with Rule 25-30.033(1)(e), F.A.C., ELPI provided a statement describing its financial and technical ability to provide water and wastewater service. ELPI's 2009 10-K Annual Report, as filed with the U.S. Securities and Exchange Commission, was included in the application. According to the applicant, the information indicates that ELPI has ample financial backing to ensure the safe, efficient, and

sufficient provision of water and wastewater service to the proposed service territory. The Utility has the ability to raise cash when necessary to finance its operations through its parent company, ELPI, which is publicly traded on the New York Stock Exchange. We have reviewed ELPI's financial statements and other documentation included in the 10-K Annual Report, and they appear to show adequate resources to support COL Utility's water and wastewater operations.

ELPI has been providing service to Grand Island MHP since approximately 1973. In addition, the application referenced ELPI's ownership interest in properties throughout the United States and Canada (307 properties as of December 31, 2010). Properties owned and operated by ELPI in Florida include utilities that are currently regulated by us, such as CC Utility Systems, LLC d/b/a Coral Cay Water & Sewer Company, a Class C water and wastewater utility in Broward County,¹ and BE Utility Systems, LLC, a Class C water utility in Lee County.² According to the applicant, utilities wholly owned by ELPI have a history of contracting professional, licensed companies that provide plant operation and maintenance services.

The Florida Department of Environmental Protection (DEP) conducted an inspection of the water facilities on January 5, 2011; the report indicated that the Utility had no plant deficiencies and that the overall operation of the plant was good. The Utility's wastewater treatment facility operating permit expires on November 9, 2014. The DEP's report of the most recent compliance evaluation inspection of the wastewater facilities, conducted on December 21, 2010, indicated that the overall operation was substantially compliant. According to the SJRWMD, there are no outstanding compliance issues related to the Utility's Consumptive Use Permit, which expires on July 7, 2024.

COL Utility understands that it must maintain its books and records according to the National Association of Regulatory Utility Commissioners' (NARUC) Uniform System of Accounts (USOA). The Utility has also been advised of the requirement to file annual reports and pay regulatory assessment fees by March 31 for the previous year. In addition, the applicant

¹ In 1995, we granted the transfer of water and wastewater certificates to CC Utility Systems, LLC, which underwent two name changes in Docket Nos. 010670-WS and 030454-WS. See Order No. PSC-95-0622-FOF-WS, issued May 22, 1995, in Docket No. 940850-WS, In re: Application for transfer of Certificates Nos. 481-W and 417-S in Broward County from Colonies Water Company to MHC-DeAnza Financing Limited Partnership d/b/a Colonies Water Company; Order No. PSC-01-1499-FOF-WS, issued July 18, 2001, in Docket No. 010670-WS, In re: Application for acknowledgement of corporate reorganization and name change on Certificate Nos. 417-S and 481-W in Broward County from MHC-DeAnza Financing Limited Partnership, d/b/a Colonies Water Company, to CM Utility Systems, L.L.C. d/b/a Colonies Water Company; Order No. PSC-03-0919-FOF-WS, issued August 11, 2003, in Docket No. 030454-WS, In re: Application for name change on Certificate Nos. 481-W and 417-S in Broward County from CM Utility Systems, L.L.C. d/b/a Colonies Water Company to CC Utility Systems, L.L.C. d/b/a Coral Cay Water & Sewer Company.

² In 1995, we granted the transfer of a water certificate to BE Utility Systems, LLC, which underwent a name change in Docket No. 010563-WU. See Order No. PSC-95-0623-FOF-WU, issued May 22, 1995, in Docket No. 940849-WU, In re: Application for transfer of Certificate No. 366-W in Lee County from DeAnza Properties-XI, Ltd., d/b/a Buccaneer Water Service, to MHC-DeAnza Financing Limited Partnership, d/b/a Buccaneer Water Service; Order No. PSC-01-1498-FOF-WU, issued July 18, 2001, in Docket No. 010563-WU, In re: Application for acknowledgment of corporate reorganization and utility name change from MHC-DeAnza Financing Limited Partnership d/b/a Buccaneer Water Service, holder of Certificate No. 366-W, to BE Utility Systems, L.L.C. d/b/a Buccaneer Water Service in Lee County.

is aware that it may not change its rates, serve outside its certificated territory, or sell the Utility without our prior approval.

Based on the above information, we believe that it is in the public interest to grant COL Utility's request for original water and wastewater certificates. Accordingly, we hereby grant the Utility water and wastewater Certificate Nos. 655-W and 559-S, respectively, to serve the territory described in Attachment A, effective the date of our vote. This Order shall serve as COL Utility's water and wastewater certificates and shall be retained by the Utility. Pursuant to Rule 25-30.033(1)(j), F.A.C., the applicant shall submit an executed and recorded copy of the warranty deed within 30 days after the date of this Order granting the certificates.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Equity LifeStyle Properties, Inc.'s application for original water and wastewater certificates is in the public interest, and COL Utility Systems, L.L.C. shall be granted water and wastewater Certificate Nos. 655-W and 559-S, respectively, to serve the territory described in Attachment A, effective the date of our vote. It is further

ORDERED that this Order shall serve as COL Utility Systems, L.L.C.'s water and wastewater certificates and shall be retained by the utility as such. It is further

ORDERED that this docket shall remain open pending the filing of an executed and recorded copy of the warranty deed within 30 days of the date of this Order and our subsequent decision on the appropriate initial rates and charges, and return on equity.

By ORDER of the Florida Public Service Commission this 28th day of September, 2011.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by the Commission's final action in this matter may request: 1) reconsideration of the decision by filing a motion for reconsideration with the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, within fifteen (15) days of the issuance of this order in the form prescribed by Rule 25-22.060, Florida Administrative Code; or 2) judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or the First District Court of Appeal in the case of a water and/or wastewater utility by filing a notice of appeal with the Office of Commission Clerk, and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days after the issuance of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
