DOCKET NO. 120001-EI
ORDER NO. PSC-12-0156-CFO-EI
ISSUED: March 29, 2012

ORDER GRANTING GULF POWER COMPANY'S REQUEST FOR CONFIDENTIAL
CLASSIFICATION (DOCUMENT NO. 08593-10 X-REF. DOCUMENT NO. 08059-10)

On October 12, 2010, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Gulf Power Company (Gulf) filed a request for confidential classification (Request) of certain information submitted by Gulf pursuant to Audit Control No. 10-130-1-1 (the Audit). (Document No. 08593-10 x-ref. Document No. 08059-10). This Request was filed in Docket No. 100001-EI.

Section 366.093(1), F.S., provides that "any records received by the commission which are shown and found by the commission to be proprietary confidential business information shall be kept confidential and shall be exempt from Section 119.07(1) [the Public Records Act]." Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Paragraph (3)(d) of Section 366.093 F.S., provides that proprietary confidential business information includes, but is not limited to "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms."

Gulf contends that the designated portions of the information contained in its responses to the Audit, as more specifically described in the line-by-line/field-by-field justification attached as Exhibit C to the Request, fall within these categories and, thus, constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. Gulf states that this information is intended to be and is treated by Gulf as private and has not been publicly disclosed.

Gulf states that this information contains details concerning Gulf's hedging activities between August 2009 and July 2010, including specific pricing information and target ranges for hedging transactions. Gulf contends that disclosure of this information would give other market participants a competitive advantage over Gulf and would adversely affect its ability to conduct its hedging activities to the benefit of its customers.

Time Period For Confidential Classification

According to Section 366.093(4), F.S., confidential classification may only extend for 18 months from the issuance of an Order granting confidential classification unless "the

Commission finds, for good cause, that the protection from disclosure shall be for a specified longer period.” Gulf has not requested a period longer than the 18 months.

Ruling

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information constitutes “[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.” Thus, the information identified in Document No. 08593-10 x-ref. Document No. 08059-10 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Gulf or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Eduardo E. Balbis, as Prehearing Officer, that Gulf Power Company’s Request for Confidential Classification of Document No. 08593-10 x-ref. Document No. 08059-10 is granted. It is further

ORDERED that the information in Document No. 08593-10 x-ref. Document No. 08059-10 for which confidential classification has been granted shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. It is further

ORDERED that this Order will be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period.

By ORDER of Commissioner Eduardo E. Balbis, as Prehearing Officer, this 29th day of March, 2012.
