

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Application of Utilities, Inc. for authority to transfer majority organizational control of Hydro Star, LLC to Corix Utilities (Illinois), LLC.

DOCKET NO. 120084-WS
ORDER NO. PSC-12-0497-FOF-WS
ISSUED: September 27, 2012

The following Commissioners participated in the disposition of this matter:

RONALD A. BRISÉ, Chairman
LISA POLAK EDGAR
ART GRAHAM
EDUARDO E. BALBIS
JULIE I. BROWN

ORDER APPROVING TRANSFER OF MAJORITY ORGANIZATIONAL CONTROL

BY THE COMMISSION:

Background

On April 13, 2012, Utilities, Inc. filed an application for authority to transfer majority organizational control of its parent, Hydro Star, LLC (Hydro Star), to Corix Utilities (Illinois), LLC (Corix). Utilities, Inc. currently has 11 Commission-regulated subsidiaries (subsidiaries) providing service in 9 counties as shown on Attachment A to this Order. According to the 2011 annual reports on file with this Commission, total revenue for the subsidiaries was \$26,578,563 with \$5,008,170 in total operating income.

This Order addresses the transfer of majority organizational control. We have previously determined that transfers or mergers at the parent or grandparent level require our approval, pursuant to Section 367.071, Florida Statutes (F.S.).¹

Transfer of Majority Organizational Control

On April 13, 2012, Utilities, Inc. filed an application for authority to transfer majority organizational control of its parent, Hydro Star, to Corix. The application was accompanied by Utilities, Inc.'s petition for a variance or waiver of Rules 25-30.030(4)(c), (5), (6) and (7), Florida administrative Code (F.A.C.), which govern noticing requirements, and Rule 25-30.037(3)(i), (j), and (k), F.A.C., which governs transfers of majority organizational control.

¹ See Order No. PSC-01-1647-PAA-WS, issued August 13, 2001, in Docket No. 010887-WS, In re: Application for approval of merger of Utilities, Inc. and Nuon Acquisition Sub, Inc., an Illinois corporation, and for determination of Commission's jurisdiction of such merger.

DOCUMENT NUMBER-DATE

06489 SEP 27 2012

FPSC-COMMISSION CLERK

Partial waiver

Utilities, Inc.'s petition for variance or waiver was approved in part by Order No. PSC-12-0340-PAA-WS, issued June 28, 2012. The order waived the requirement in Rule 25-30.030(4)(c), F.A.C., for a legal description of territory to appear on the notices. Instead, approval was given for the notices to be issued with the names of Utilities, Inc.'s subsidiaries. Because Utilities, Inc. had already given notice in the approved format, a waiver of the provisions of Rules 25-30.030(5), (6), and (7), F.A.C., which govern the timeframe for noticing, became moot and not required. Further, the order approved a waiver of the provisions of Rule 25-30.037(3)(i), F.A.C., which requires evidence of ownership of the land upon which the utility facilities are located, and Rule 25-30.037(3)(k), F.A.C., which requires the return of certificates. The order partially waived Rule 25-30.037(3)(j), F.A.C., which requires new tariffs reflecting the change in ownership. Instead, Utilities, Inc. was required to only revise Tariff Sheet No 3.0 for each of its subsidiaries' tariffs. Therefore, Utilities, Inc. shall be required to submit a revised Tariff Sheet No. 3.0 for each of its subsidiaries to reflect the transfer order.

Noticing

The application is in compliance with the governing statute, Section 367.071, F.S., and the requirements of Rule 25-30.037, F.A.C., pertaining to an application for transfer of majority organizational control, as modified by the waiver order. In response to the notices, we received four letters of objection. Legal staff responded to the letters with an explanation that a transfer was not occurring at Utilities, Inc.'s subsidiary level and asked for a response by a time certain whether the correspondents were requesting a formal hearing. The timeframe for the correspondents to request a formal hearing has passed without such a request.

Purchase Agreement

On February 17, 2012, Corix and Highstar Capital Fund II, LP,² and certain of its affiliates and co-investors (Highstar), entered into a Purchase and Sale Agreement in which Corix will acquire 100 percent of the issued and outstanding membership interests in Hydro Star from Highstar. Hydro Star, through ownership of Hydro Star Holdings Corporation, owns 100 percent of the issued and outstanding shares of Utilities, Inc. According to the application, upon consummation of the Purchase and Sale Agreement, it is possible that Corix will merge into Hydro Star, eliminating one of the intermediate holding companies. The closing on the Purchase and Sale Agreement is subject to the termination of the Hart-Scott-Rodino Act waiting period and receipt of all other requisite governmental approvals. Pursuant to Section 367.071(1), F.S., the transfer of majority control is contingent upon our approval.

Public Interest

The application indicates that the acquisition of Hydro Star's stock by Corix does not entail any change in direct ownership or control of its subsidiaries and will not cause any change in management or loss of operational expertise. Further, the application asserts that the proposed

² Formerly AIG Highstar Capital II, L.P.

transaction does not affect our powers with respect to either the rates or the services of the subsidiaries or the authority of any other governmental agency with respect to the subsidiaries' services or facilities. According to the application, after reasonable investigation, Corix has determined that the utility systems operated by the subsidiaries appear to be in satisfactory condition and in compliance with all applicable standards set by the Florida Department of Environmental Protection. Further, Corix agrees to abide by the commitments, obligations, and representations of Utilities, Inc. and its subsidiaries with regard to utility matters.

According to an overview provided by Corix for the application, it is a privately-held corporation principally owned by British Columbia Investment Management Corporation, CAI Capital Partners, and Corix employees and is governed by a public-style Board of Directors. Corix's current sole member is Inland Pacific Resources, Inc., whose officers average in excess of 20 years experience, including many positions in the utility industry. Corix's overview further states that it has over \$750 million of assets under management and a record of generating stable revenues and operating cash flows. As an institutionally-owned private utility company, Corix claims to be able to finance its equity needs without accessing the capital markets, significantly reducing the time and financial risk associated with lengthy transactions. The application states that Corix's purchase of Hydro Star is intended to be a cash transaction.

Corix's businesses have over 2,200 employees operating in 85 locations across North America, including Alaska and parts of Canada. Its utility assets include water and wastewater treatment and distribution, thermal energy and combined heat and power generation, natural gas and electricity distribution, and chilled water plants and distribution systems. In addition to owning utility assets, Corix provides utility services to both public and private utilities. It also operates branches across North America which distribute products for transporting water and wastewater, as well as products that provide measurement and control equipment for the oil, gas, and industrial products sectors. Through the indirect purchase of Utilities, Inc., Corix will be acquiring one of the United States' largest privately-owned water and wastewater companies, currently serving approximately 290,000 customers in 15 states. Utilities, Inc. acquired its current subsidiaries in Florida over time. Its subsidiary, Utilities, Inc., of Florida, began operations in Florida on January 1, 1976.

Based on all the above, we find that the transfer of majority organizational control of Utilities, Inc.'s parent, Hydro Star, LLC, to Corix Utilities (Illinois), LLC is in the public interest and shall be approved effective September 18, 2012. Utilities, Inc.'s subsidiary certificates are described in Attachment B. This Order shall serve as the subsidiaries' water and wastewater certificates and be retained as such. The existing rates and charges for the subsidiaries shall remain in effect until a change is authorized by this Commission in a subsequent proceeding. Utilities, Inc. shall file revised Tariff Sheet No. 3.0 for each of its subsidiaries to reflect the approved transfer. The tariffs shall be effective for services provided or connections made on or after the stamped approval date on the tariffs, pursuant to Rule 25-30.475(1), F.A.C.

In consideration of the foregoing, it is

ORDERED that the transfer of majority organizational control of Utilities, Inc.'s parent, Hydro Star, LLC, to Corix Utilities (Illinois), LLC, is in the public interest and shall be approved effective September 18, 2012. It is further

ORDERED that Utilities, Inc.'s subsidiary certificates are described in Attachment B, and this Order shall serve as the subsidiaries' water and wastewater certificates and be retained as such. It is further

ORDERED that the existing rates and charges for the subsidiaries shall remain in effect until a change is authorized by this Commission in a subsequent proceeding. It is further

ORDERED that Utilities, Inc. shall file revised Tariff Sheet No. 3.0 for each of its subsidiaries to reflect the approved transfer. It is further

ORDERED that the tariffs shall be effective for services provided or connections made on or after the stamped approval date on the tariffs, pursuant to Rule 25-30.475(1), F.A.C. It is further

ORDERED that this docket shall be closed.

By ORDER of the Florida Public Service Commission this 27th day of September, 2012.

Copies furnished: A copy of this document is provided to the parties of record at the time of issuance and, if applicable, interested persons.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by the Commission's final action in this matter may request:

- 1) reconsideration of the decision by filing a motion for reconsideration with the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, within fifteen (15) days of the issuance of this order in the form prescribed by Rule 25-22.060, Florida Administrative Code; or
- 2) judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or the First District Court of Appeal in the case of a water and/or wastewater utility by filing a notice of appeal with the Office of Commission Clerk, and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days after the issuance of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
