

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Environmental cost recovery clause.

DOCKET NO. 120007-EI
ORDER NO. PSC-12-0502-PCO-EI
ISSUED: October 1, 2012

ORDER GRANTING PETITION TO INTERVENE

On January 24, 2012, White Springs Agricultural Chemicals, Inc., d/b/a PCS Phosphate-White Springs (White Springs) filed its Petition to Intervene (Petition) in this docket. White Springs states that it is a manufacturer of fertilizer products with plants and operations located in Progress Energy Florida's (PEF) electric service territory and that it receives service under various PEF rate schedules. White Springs asserts that, in the instant docket, this Commission will decide the environmental cost recovery factors applicable to PEF, including factors that will apply to White Springs' rate classes. In turn, this may affect White Springs' production and operation costs, overall industry competitiveness, and level of sustainable employment in the region.

Having reviewed the Petition, it appears that White Springs' substantial interests may be affected by this proceeding. Therefore, the Petition shall be granted.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that White Springs Agricultural Chemicals, Inc., d/b/a PCS Phosphate-White Springs' Petition to Intervene is hereby granted. It is further,
