In re: Request for confidential classification of document request responses and portions of staff's audit report entitled Review of the Payment Arrangement Programs Offered by the Florida Electric Industry by Florida Power & Light Company.

DOCKET NO. 120251-EI
ORDER NO. PSC-12-0629-CFO-EI
ISSUED: November 21, 2012

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S REQUEST
FOR CONFIDENTIAL CLASSIFICATION OF DOCUMENT NO. 06669-12

On October 3, 2012, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Florida Power & Light Company (FPL) filed a Request for Confidential Classification of information, contained in Document 06669-12, pertaining to the Florida Public Service Commission's Review of the Payment Arrangement Programs offered by the Florida Electric Industry.

Section 366.093(1), F.S., provides that records that the Commission has found to contain proprietary confidential business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3)(e), F.S., provides that proprietary confidential business information includes, but is not limited to, "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information."

According to Section 366.093, F.S., and Rule 25-22.006(4)(c), F.A.C., the utility has the burden of demonstrating that materials qualify for confidential classification, and must meet this burden by demonstrating that the information is proprietary confidential business information, the disclosure of which would impair or harm the competitive business of the utility.

FPL's Request

FPL asserts that the information contained in Document No. 06669-12 constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006(3), F.A.C. FPL states that this information is intended to be and is treated by FPL as private and has not been publicly disclosed.

FPL specifically contends that the information at issue, which is described in a line-by-line/field by field justification in Exhibit C to the request and attached hereto, details FPL's business strategies related to FPL's disconnection processes and procedures. Additionally, the information describes FPL's payment arrangements. FPL asserts that public disclosure of this

information would negatively impact FPL's ability to assist customers in a fair manner. Thus, the disclosure of this information could impair the competitive business for both FPL and its customers.

Ruling

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3)(e), F.S., for classification as proprietary confidential business information. The information at issue constitutes information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. Thus, the information identified in Exhibit C of Document No. 06669-12 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

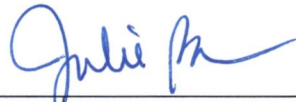

ORDERED by Commissioner Julie I. Brown, as Prehearing Officer, that Florida Power & Light Company's Request for Confidential Classification of Document No. 06669-12 is granted, as set forth herein. It is further

ORDERED that the information in Document No. 06669-12, for which confidential classification has been granted, shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein. It is further

ORDERED that this docket shall be closed.

By ORDER of Commissioner Julie I. Brown, as Prehearing Officer, this 21st day of
November, 2012.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy.
