DOCKET NO. 130002-EG  
ORDER NO. PSC-13-0475-CFO-EG  
ISSUED: October 15, 2013

ORDER GRANTING FLORIDA POWER & LIGHT COMPANY'S FIRST REQUEST FOR  
EXTENSION OF CONFIDENTIAL CLASSIFICATION OF DOCUMENT NOS. 04114-11  
AND 02568-13

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (FPL) filed a request for confidential classification of certain materials provided pursuant to staff's Audit Control No. 11-005-4-4 (Document Nos. 04114-11 and 02568-13). Order No. PSC-11-0539-CFO-EG, issued July 28, 2011, granted confidential classification for the documents. On January 28, 2013, FPL requested that the period of time for confidential treatment be extended for the information contained in Document Nos. 04114-11 and 02568-13. FPL further requests that the information be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. Since audit materials of the type contained in these documents must be retained by the Commission for 25 years, the documents cannot be returned to FPL at this time.

Section 366.093(1), Florida Statutes, provides that records that the Commission has found to contain proprietary confidential business information shall be kept confidential and shall be exempt from Chapter 119, Florida Statutes, Florida's Public Records Act. Section 366.093(3), Florida Statutes, defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), Florida Statutes, provides that proprietary confidential business information includes:

- (b) Internal auditing controls and reports of internal auditors.
- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

FPL asserts that the information for which it seeks confidential status consists of FPL's internal auditing controls and reports of internal auditors, and competitively sensitive data. The competitively sensitive data consists of confidential terms pertaining to pension and welfare rates. FPL contends that the information for which it is requesting confidential classification is entitled to that classification pursuant to Section 366.093(3)(b), and (e), Florida Statutes, as proprietary confidential business information, the disclosure of which would impair the company's ability to contract for the sale of goods and services on favorable terms or cause harm

to its ratepayers. FPL requests confidential classification for the information located in Document Nos. 04114-11 and 02568-13.

Upon review, it appears that the above-referenced information satisfies the criteria set forth in Section 366.093(3)(b), and (e), Florida Statutes. The information contains internal auditing controls and competitive business information, the disclosure of which would impair the company's ability to contract for the sale of goods and services on favorable terms and impair the competitive interests of its customers. Therefore, renewal of the confidential classification for Document Nos. 04114-11 and 02568-13 is granted.

Section 366.093(4), F.S., limits the duration of confidential classification or the extension of confidential classification to 18 months, unless there is good cause to extend the protection for a specified longer period. I find that confidentiality shall be extended for 18 months. If necessary, FPL may request an additional extension at the appropriate time.

Based on the foregoing, it is

ORDERED by Commissioner Eduardo E. Balbis, as Prehearing Officer, that the information described in the body of this Order and contained in Document Nos. 04114-11 and 02568-13 shall be granted an additional 18 months of confidential classification. It is further

ORDERED that pursuant to Rule 25-22.066, F.A.C., and Section 366.093(3), F.S., confidentiality granted to the documents specified herein shall expire 18 months from the date of the issuance of this Order in the absence of a renewed request for confidentiality. It is further

ORDERED that this Order will be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period.

By ORDER of Commissioner Eduardo E. Balbis, as Prehearing Officer, this 15th day of October, 2013.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code.
