In re: Application for certificates to provide water and wastewater service in Hendry and Collier Counties, by Consolidated Services of Hendry & Collier, LLC.

DOCKET NO. 130105-WS  
ORDER NO. PSC-13-0617-CFO-WS  
ISSUED: November 25, 2013

ORDER GRANTING CONSOLIDATED SERVICES OF HENDRY & COLLIER, LP'S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION OF DOCUMENT NO. 04524-13

On April 29, 2013, Consolidated Services of Hendry & Collier, LP, (Consolidated or Company) filed a Request for Confidential Classification of the Comparative Balance Sheet of Consolidated Citrus Limited Partnership. On July 30, 2013, Consolidated Services filed a Request for Confidential Treatment of the Comparative Statement of Operations for Consolidated Citrus Limited Partnership (collectively Requests for Confidential Classification). Neither request was filed with an unredacted version of the information sought to be protected. On August 5, 2013, Consolidated filed a Supplemental Request for Confidential Classification (Supplemental Request) which incorporated by reference both of the above-referenced requests and provided redacted copies of the Comparative Balance Sheet and the Comparative Statement of Operations (the "documents"). The originals of the documents were provided contemporaneously with the Supplemental Request to us in accordance with the Commission's rules and thereafter were identified as Document No. 04524-13. All of the above-referenced requests were made pursuant to Section 367.156, Florida Statutes (F.S.), and Rule 25-22.006(9), Florida Administrative Code (F.A.C.).

In its Supplemental Request, Consolidated asserts that the confidential information in the documents is intended to be proprietary, is treated as proprietary, and has not been publicly disclosed. Consolidated requests that the Commission grant confidential classification for the documents for a period of at least 18 months from the date of the issuance of this Order, pursuant to Section 367.156(4), F.S.

Request for Confidential Classification

Section 367.156(1), F.S., provides that "any records received by the commission which are shown and found by the commission to be proprietary confidential business information shall be kept confidential and shall be exempt from Section 119.07(1) [the Public Records Act]." Section 367.156(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the person or company as private, in that disclosure of the information would cause harm to the person's or company's ratepayers or business operations, and has not been disclosed to the public. Section 367.156(3), F.S., provides that proprietary business information includes, but is not limited to:

- (a) Trade Secrets.
- (b) Internal auditing controls and reports of internal auditors.

- (c) Security measures, systems, or procedures.
- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the utility or its affiliates to contract for goods and services on favorable terms.
- (e) Information relating to competitive interests, the disclosure of which would impair the competitive businesses of the provider of the information.
- (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities.

Consolidated contends that the information, described with specific justification in its Requests for Confidential Classifications as well as the Supplemental Request, is intended to be, and is treated as, confidential by Consolidated Citrus, the ultimate parent of Consolidated, and has not been otherwise publicly disclosed. Consolidated contends that the information conforms with the above requirements and is generally described as information relating to competitive interests. Consolidated argues that disclosure of the information could have a severe impact on business operations and private negotiations. Based on the foregoing, Consolidated asserts that the information is entitled to confidential classification pursuant Section 367.156(3), F.S., and Rule 25-22.006, F.A.C.

#### Ruling

Upon review, the documents for which confidential classification is sought consist of a Comparative Balance Sheet and the Comparative Statement of Operations concerning Consolidated Citrus. Consolidated is requesting that Document No. 04524-13 be granted confidential classification, which would prevent disclosure of the information to the public at large. I find that the information identified in Document No. 04524-13 is treated by the Company as private, has not otherwise been disclosed, and falls within the statutory definition of "proprietary confidential business information."

Consolidated requests confidential classification for this information for a period of at least 18 months. According to Section 367.156(4), F.S., confidential classifications may only extend for 18 months from the issuance of an Order granting confidential classification unless "the Commission finds, for good cause, that the protection from disclosure shall be for a specified longer period."

I therefore conclude the information contained in Document No. 04524-13 satisfies the criteria set forth in Section 367.156(3), F.S., for classification as proprietary confidential business information. Thus, the information contained in Document No. 04524-13, shall be granted confidential classification.

Based on the foregoing, it is

ORDERED by Commissioner Art Graham, as Prehearing Officer, that Consolidated Services of Hendry & Collier, LP's, Supplemental Request for Confidential Classification of Document No. 04524-13, is granted. It is further

ORDERED that the information in Document No. 04524-13 for which confidential classification has been granted shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Consolidated Services of Hendry & Collier, LP, or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Art Graham, as Prehearing Officer, this 25th day of November, 2013.
