

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for approval of optional non-standard meter rider, by Florida Power & Light Company.

DOCKET NO. 130223-EI
ORDER NO. PSC-14-0241-PCO-EI
ISSUED: May 20, 2014

ORDER GRANTING MOTION FOR EXTENSION OF TIME

On April 15, 2014, Florida Power and Light Company (FPL) filed its responses to the Office of Public Counsel's (OPC) First Request for Production of Documents No. 2. At that time, pursuant to Rule 25-22.006, Florida Administrative Code (F.A.C.), FPL also filed a Notice of Intent to Request Confidential Classification for Certain Documents Provided in Response to Office of Public Counsel's First Request for Production (No. 2)(Notice of Intent) as well as a Motion for Protective Order For Certain Documents Provided in Response to Public Counsel's First Request for Production (No. 2) (Motion for Protective Order).

Rule 25-22.006(3)(a), F.A.C., requires that a formal request for confidentiality be filed within 21 days of the date of the Notice of Intent, in this case, by May 6, 2014. On May 6, 2014, realizing that it would be unable to meet this filing date due the number of documents involved and its workload, FPL filed a Motion for Extension of Time to File Request for Confidential Classification of Certain Documents Produced in Response to Public Counsel's First Request for Production (Motion for Extension), requesting an extension of time until May 12, 2014 to file its request for confidentiality. As required by Rule 28-106.204(3), F.A.C., FPL contacted all parties of record by e-mail regarding this motion. FPL represents that counsel for the Larsons has no objection to its request for extension and it received no responses from other parties' counsel.

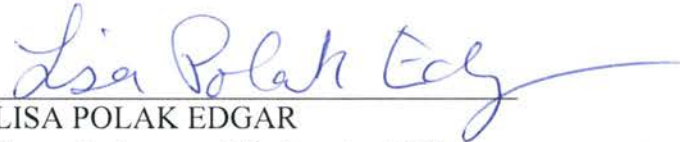

Given the extensive materials involved in the discovery response, I find that FPL's motion is reasonable, is not filed for the purpose of delay and that no party will be prejudiced if the request is granted.

Based on the foregoing, it is

ORDERED that Florida Power and Light Company's Motion for Extension of Time to File Request for Confidential Classification of Certain Documents Produced in Response to Public Counsel's First Request for Production is hereby granted. It is further

ORDERED that Florida Power and Light Company's formal request for confidentiality for the documents contained in its response to the Office of Public Counsel's First Request for Production No. 2 shall be filed on or before May 12, 2014.

By ORDER of Commissioner Lisa Polak Edgar, as Prehearing Officer, this 20th day of
May, 2014.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
