

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Application for approval of transfer of certain water facilities and Certificate No. 002-W of Aqua Utilities Florida, Inc. to Brevard Waterworks, Inc. in Brevard County.

DOCKET NO. 130174-WU
ORDER NO. PSC-14-0326-PAA-WU
ISSUED: June 25, 2014

The following Commissioners participated in the disposition of this matter:

ART GRAHAM, Chairman
LISA POLAK EDGAR
RONALD A. BRISÉ
EDUARDO E. BALBIS
JULIE I. BROWN

NOTICE OF PROPOSED AGENCY ACTION
ORDER ESTABLISHING NET BOOK VALUE FOR TRANSFER PURPOSES
AND
ORDER APPROVING TRANSFER OF CERTIFICATE NO. 002-W

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein, except for the transfer of Certificate No. 002-W and continuation of the existing rates, is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code (F.A.C.).

BACKGROUND

On June 24, 2013, Brevard Waterworks, Inc. (BWI or Utility) filed an application for the transfer of Certificate No. 002-W on behalf of Aqua Utilities Florida, Inc. (Aqua) in Brevard County. The Utility's service area is located in Brevard County within the St. Johns River Water Management District and is subject to a year-round irrigation rule. According to Aqua's 2012 Annual Report, the Utility serves 243 customers in two separate service areas of Oakwood and Kingswood.

The present application for transfer approval is one of six active applications that have been simultaneously filed with the Commission. These applications request transfer approval of water and wastewater systems previously owned by Aqua in five different counties. BWI, along with the utilities who filed the other five transfer applications, have been recently created, and share common management and ownership.

According to Aqua's 2012 Annual Report, Aqua had total revenues of \$15,773,003 (\$9,646,699 for water and \$6,126,304 for wastewater). It provided service to 62 water systems and 30 wastewater systems within 17 counties. Water and wastewater rates for most of the Aqua systems were approved in 2012 in a file and suspend rate case.¹ Recently, Aqua made a decision to cease operations in the state. As a result, 53 water systems and 26 wastewater systems owned by Aqua have been transferred to non-jurisdictional entities. The remaining nine water systems and four wastewater systems owned by Aqua have not yet been transferred and are the subject of the six applications discussed above.

Certificate 002-W was originally granted in 1971 under the name of B & H Meters Inc. and included service to both the Kingswood and Oakwood water systems.² The water certificate was amended in 1981.³ A transfer was made to Southern States Utilities, Inc., in 1988.⁴ In 1994, the certificate was amended again to add territory.⁵ In 1997, a name change was approved.⁶ In 2005, there was a transfer to Aqua Utilities Florida, Inc.⁷ In 2009, there was another amendment of the certificate to add territory to the Oakwood service area.⁸ We have jurisdiction pursuant to Section 367.071, Florida Statutes (F.S.).

CERTIFICATE OF TRANSFER

On June 24, 2013, BWI, on behalf of Aqua, filed an application for approval of the transfer of Aqua's Brevard County Kingswood and Oakwood water systems and Certificate No. 002-W to BWI. The application is in compliance with the governing Statute, Section 367.071,

¹ See Order No. PSC-12-0102-FOF-WS, issued March 5, 2012, in Docket No. 100330-WS, In re: Application for increase in water/wastewater rates in Alachua, Brevard, DeSoto, Hardee, Highlands, Lake, Lee, Marion, Orange, Palm Beach, Pasco, Polk, Putnam, Seminole, Sumter, Volusia, and Washington Counties by Aqua Utilities Florida, Inc.

² See Order No. 5033, issued January 27, 1971, in Docket No. 70572-W, In re: Application of B & H Meters, Inc., to operate a water system in Brevard County, Florida (for water and sewer certificates under grandfather rights).

³ See Order No. 9886, issued March 17, 1981, in Docket No. 800618-WS (TC), In re: Application for transfer water and sewer certificates from certain-Teed Piping Materials, Inc., and Service Facilities Corporation, to Central Florida Utilities, Inc.

⁴ See Order No. 19505, issued June 16, 1988, in Docket No. 880206-WU, In re: Application for transfer of Certificate 2-W and majority organizational control of Central Florida Utilities, Inc. to Southern States Utilities, Inc.

⁵ See Order No. PSC-94-1011-FOF-WU, issued August 22, 1994, in Docket No. 930737-WU, In re: Application for amendment of Certificate No. 002-W in Brevard County by Southern States Utilities Inc.

⁶ See Order No. PSC-97-0427-FOF-WS, issued April 16, 1997, in Docket No 970028-WS, In re: Application for Name Change on Certificates 84-W, 171-W, 386-W, 373-W, 106-W, 422-W, 46-W, 177-W, 452-W, 03-W, 570-W, 002-W, 554-W, 501-W, 238-W, 562-W, 279-W, 209-W, 66-W, 306-W, 76-W, 189-W, 435-S, 182-S, 482-S, 226-S, 284-S, 154-S, 289-S, 73-S, 122-S, 319-S, 120-S, 359-S, 047-S, 124-S, 386-S, 134-S, 496-S, 255-S, and 322-S in Bradford, Brevard, Charlotte, Citrus, Clay, Collier, Duval, Hernando, Highlands, Lake, Lee, Marion, Martin, Nassau, Orange, Osceola, Pasco, Polk, Putnam, Seminole, St. Johns, St. Lucie, Volusia, and Washington Counties, from Southern States Utilities, Inc. to Florida Water Services Corporation.

⁷ See Order No. PSC-05-1242-PAA-WS, issued December 20, 2005, in Docket No. 040951-WS, In re: Joint application for approval of sale of Florida Water Services Corporation's land, facilities, and certificates in Brevard, Highlands, Lake, Orange, Pasco, Polk, Putnam, a portion of Seminole, Volusia, and Washington counties to Aqua Utilities Florida, Inc.

⁸ See Order No. PSC-09-0252-FOF-WU, issued April 27, 2009, in Docket No. 080536-WU, In re: Application for quick-take amendment of and application for amendment of Certificate No. 002-W to extend water service to certain territory (Oakwood) in Brevard County, by Aqua Utilities Florida, Inc.

F.S., and Administrative Rules concerning applications for transfer of certificates. The closing occurred on March 28, 2013, contingent upon our approval, pursuant to Section 367.071(1), F.S.

Noticing, Territory, and Land Ownership

The application contains proof of compliance with the noticing provisions set forth in Section 367.071, F.S., and Rule 25-30.030, F.A.C. No objections to the transfer were filed with the Commission and the time for doing so has expired. The application contains a description of the Utility's water service territory, which is appended to this order as Attachment A. BWI does not own or operate any water treatment plant; however, its distribution lines lie within easements and public right-of-ways. The application contains a copy of a Quit Claim Deed that was executed on March 29, 2013, as evidence that BWI owns the land upon which the water facilities are located pursuant to Rule 25-30.037(2)(q), F.A.C.

Purchase Agreement and Financing

Pursuant to Rule 25-30.037(2)(h) and (i), F.A.C., the application contains a copy of the Purchase Agreement, which includes the purchase price, terms of payment, and a list of the assets purchased. There are no customer deposits, guaranteed revenue contracts, developer agreements, customer advances, leases, or debt of Aqua that must be disposed of with regard to the transfer. According to the Purchase Agreement, the total purchase price of \$62,560 was paid for the portion of the assets attributable to water service.

Facility Description and Compliance

The BWI's water system resells finished water that is obtained from Brevard County Utilities. Commission staff contacted the Florida Department of Environmental Protection (DEP) concerning the Utility's compliance status relative to any Notices of Violation or any DEP consent orders. DEP stated that the system is not subject to any outstanding violations or consent orders.

Technical and Financial Ability

Pursuant to Rule 25-30.037(1)(j), F.A.C., the application contains statements describing the technical and financial ability of the applicant to provide service to the proposed service area. According to the application, BWI has considerable Florida-specific expertise in private utility ownership within the state. The directors of BWI have been in the water and wastewater utility management, operations, and maintenance industry for many years, providing service to more than 550 Florida facilities throughout their careers. Further, the application indicates that the President and Vice President of BWI have 28 and 36 years, respectively, of operation or ownership of utilities, including a number of utilities previously regulated by the Commission. Our staff reviewed the personal financial statements for the President and Vice President of BWI⁹ and did not identify any concerns. The application indicates that operating, billing,

⁹ See Document No. 02835-12 in Docket No. 120148-WU, In re: Application for approval of transfer of Harbor Hills Utility, L.P. water system and Certificate No. 522-W in Lake County to Harbor Waterworks, Inc.

collection, and customer services will be provided by contract through an affiliated entity, U.S. Water Services Corporation (U.S. Water), which currently provides such services to utilities serving approximately 80,000 customers in Florida. The President of U.S. Water is part owner of other systems regulated by the Commission, including Harbor Waterworks, Inc.,¹⁰ Lakeside Waterworks, Inc.,¹¹ LP Waterworks, Inc.,¹² and several of the systems previously owned by Aqua.¹³

Our staff requested a three-year projected budget to further evaluate the ability of BWI to maintain operations of the Utility going forward. The projected budget includes data on net operating income, cost of capital, and rate base. The projections are reasonable and include future capital improvements, as well as anticipated increases in costs. Based on the above, it appears that BWI has demonstrated the technical and financial ability to provide service to the existing service territory.

Rates and Charges

The Utility's rates and charges were last approved in 2012 in a file and suspend rate case.¹⁴ In 2013, in accordance with Section 367.0816, F.S., the rates were subsequently reduced to reflect the expiration of rate case expense.¹⁵ The Utility's existing rates and charges are shown on Schedule No. 1. Rule 25-9.044(1), F.A.C., provides that, in the case of a change of ownership or control of a utility, the rates, classifications, and regulations of the former owner must continue unless authorized to change by the Commission. Therefore, we find that the

¹⁰ See Order No. PSC-12-0587-PAA-WU, issued October 29, 2012, in Docket No. 120148-WU, In re: Application for approval of transfer of Harbor Hills Utility, L.P. water system and Certificate No. 522-W in Lake County to Harbor Waterworks, Inc.

¹¹ See Order No. PSC-13-0425-PAA-WS, issued September 18, 2013, in Docket No. 120317-WS, In re: Application for approval to transfer water and wastewater system Certificate Nos. 567-W and 494-S in Lake County from Shangri-La by the Lake Utilities, Inc. to Lakeside Waterworks, Inc.

¹² See Order No. PSC-14-0130-PAA-WS, issued March 17, 2014, in Docket No. 130055-WS, In re: Application for approval of transfer of LP Utilities Corporation's water and wastewater systems and Certificate Nos. 620-W and 533-S, to LP Waterworks, Inc., in Highlands County.

¹³ See Docket No. 130171-WS, In re: Application for approval of transfer of certain water and wastewater facilities and Certificate Nos. 507-W and 441-S of Aqua Utilities Florida, Inc. to The Woods Utility Company in Sumter County; Docket No. 130172-WS, In re: Application for approval of transfer of certain water and wastewater facilities and Certificate Nos. 501-W and 435-S of Aqua Utilities Florida, Inc. to Sunny Hills Utility Company in Washington County; Docket No. 130173-WU, In re: Application for approval of transfer of certain water and wastewater facilities and Certificate No. 053-W of Aqua Utilities Florida, Inc.'s to Lake Osborne Waterworks, Inc. in Palm Beach County; Docket No. 130175-WS, In re: Application for approval of transfer of certain water and wastewater facilities and Certificate Nos. 422-W and 359-S of Aqua Utilities Florida, Inc. to HC Waterworks, Inc. in Highlands County; and Docket No. 130176-WS, In re: Application for approval of Transfer of certain water and wastewater facilities and Certificate Nos. 507-W and 441-S of Aqua Utilities Florida, Inc. to Jumper Creek Utility Company in Sumter County.

¹⁴ See Order No. PSC-12-0102-FOF-WS, issued March 5, 2012, in Docket No. 100330-WS, In re: Application for increase in water/wastewater rates in Alachua, Brevard, DeSoto, Hardee, Highlands, Lake, Lee, Marion, Orange, Palm Beach, Pasco, Polk, Putnam, Seminole, Sumter, Volusia, and Washington Counties by Aqua Utilities Florida, Inc.

¹⁵ See Order No. PSC-10-0297-PAA-WS, issued May 10, 2010, in Docket No. 080121-WS, In re: Application for increase in water and wastewater rates in Alachua, Brevard, DeSoto, Highlands, Lake, Lee, Marion, Orange, Palm Beach, Pasco, Polk, Putnam, Seminole, Sumter, Volusia, and Washington Counties by Aqua Utilities Florida, Inc.

Utility's existing rates and charges shall remain in effect until a change is authorized by us in a subsequent proceeding.¹⁶

Regulatory Assessment Fees (RAFs) and Annual Reports

The Utility is current on RAFs for the calendar ended December 31, 2013. BWI received an extension to file its Annual Report for 2013. BWI shall be responsible for filing the Utility's 2013 Annual Report and paying 2014 RAFs and shall be responsible for filing all future annual reports and RAFs.

Based on the above, we find that the transfer of Aqua's Kingswood and Oakwood water systems and Certificate No. 002-W to Brevard Waterworks, Inc. is in the public interest and is approved, effective the date of our vote. The resultant order shall serve as BWI's certificate and shall be transferred to BWI and be retained by the Utility. The Utility's existing rates and charges shall remain in effect until a change is authorized by us in a subsequent proceeding. The tariff pages reflecting the transfer shall be effective on or after the stamped approval date on the tariff sheets, pursuant to Rule 25-30.475(1), F.A.C. BWI shall be responsible for filing the Utility's 2013 Annual Report and paying 2014 RAFs and shall be responsible for filing all future annual reports and RAFs.

NET BOOK VALUE

The purpose of establishing net book value (NBV) for transfers is to determine whether an acquisition adjustment should be approved. The NBV does not include normal ratemaking adjustments for used and useful plant or working capital. BWI is comprised of two systems, Kingswood and Oakwood.

Utility Plant in Service (UPIS)

The Utility's general ledger reflected a UPIS balance of \$96,530, as of March 28, 2013. Audit staff determined that all Commission adjustments had been properly made. Therefore, we establish a UPIS balance as of March 28, 2013 of \$96,530, as shown on Schedule No. 2.

Land and Land Rights

The value of land and land rights was last established by Order No. PSC-11-0256-PAA-WS.¹⁷ At that time, we approved a land value of \$2,766 for water. We have not identified any adjustments. Therefore, we find that land and land rights of \$2,766 are appropriate.

¹⁶ The Utility has a pending application for a price index with and anticipated effective date of June 25, 2014.

¹⁷ See Order No. PSC-11-0256-PAA-WS, issued June 13, 2011, in Docket Nos. 080121-WS, In re: Application for increase in water and wastewater rates in Alachua, Brevard, DeSoto, Highlands, Lake, Lee, Marion, Orange, Palm Beach, Pasco, Polk, Putnam, Seminole, Volusia, Washington Counties by Aqua Utilities Florida, Inc.; and Docket No. 100330-WS, In re: Application for increase in water/wastewater rates in Alachua, Brevard, DeSoto, Hardee, Highlands, Lake, Lee, Marion, Orange, Palm Beach, Pasco, Polk, Putnam, Seminole, Sumter, Volusia, and Washington Counties by Aqua Utilities Florida, Inc.

Accumulated Depreciation

The Utility's general ledger reflected an accumulated depreciation balance of \$31,084 as of February 28, 2013. Audit staff determined depreciation accruals to UPIS were not posted in March 2013. As a result, accumulated depreciation shall be increased by \$327. Therefore, we find that an accumulated depreciation balance as of March 28, 2013, of \$31,411, as shown on Schedule No. 2, is appropriate.

Contributions-in-Aid-of-Construction (CIAC) and Accumulated Amortization of CIAC

As of March 28, 2013, the Utility's general ledger reflected a CIAC balance of \$7,802 and accumulated amortization of CIAC balance of \$1,475. Audit staff determined that amortization of CIAC accruals were not posted in March 2013. As a result, accumulated amortization of CIAC shall be increased by \$30. As a result, a CIAC balance as of March 28, 2013, of \$7,802 and accumulated amortization of CIAC balance of \$1,505 as shown on Schedule No. 2 is hereby approved.

Net Book Value

The Utility's general ledger reflected a NBV of \$61,885 as of March 28, 2013. Based on the adjustments described above and as shown on Schedule No. 2, we find that the NBV for the Utility's water system as of March 28, 2013, is \$61,589. Schedule No. 2 also contains the National Association of Regulatory Utility Commission, Uniform System of Accounts balances for UPIS and accumulated depreciation as of March 28, 2013.

Acquisition Adjustment

An acquisition adjustment results when the purchase price differs from the NBV of the assets at the time of the acquisition. Pursuant to Rule 25-30.3071, F.A.C., a positive acquisition adjustment results when the purchase price is greater than the NBV and a negative acquisition adjustment results when the purchase price is less than the NBV. Rule 25-30.371, F.A.C., further states that a positive acquisition adjustment shall not be included in rate base absent proof of extraordinary circumstances. Positive acquisition adjustments, if approved, increase rate base. With respect to negative acquisition adjustments, Rule 25-30.371, F.A.C., states that no negative acquisition adjustment shall be included in rate base if the purchase price is greater than 80 percent of the NBV. If the purchase price is equal to or less than 80 percent of the NBV, a negative acquisition adjustment shall be included in rate base equal to 80 percent of the NBV, less the purchase price. Negative acquisition adjustments reduce rate base.

The Utility and its assets were purchased for \$62,560. As stated above, the appropriate NBV is \$61,589. Pursuant to Rule 25-30.0371, F.A.C., a positive acquisition adjustment is appropriate when extraordinary circumstances are shown and a negative acquisition adjustment is appropriate when the purchase price is equal to or less than NBV by 80 percent. However,

because the difference in the purchase price and the NBV in this instance is *de minimis*, and BWI has not requested an acquisition adjustment, we find that no acquisition adjustment is appropriate in this case.

Based on the above, the NBV for transfer purposes is \$61,588 as of March 28, 2013. No acquisition adjustment shall be included in rate base. Within 30 days of the date of the final order, BWI shall be required to provide general ledgers which show its books have been updated to reflect these Commission-approved balances as of March 28, 2013. The adjustments shall be reflected in the Utility's 2013 Annual Report when filed.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the transfer of Certificate No. 002-W from Aqua Utilities Florida, Inc. to Brevard Waterworks, Inc., is in the public interest and is hereby approved, effective the date of our vote, June 5, 2014. The transferred territory is more properly described in Attachment A. This Order shall serve as Brevard Waterworks, Inc.'s Certificate No. 002-W and be retained by the Utility. It is further

ORDERED that the Utility's existing rates and charges shall remain in effect until a change is authorized by this Commission in a subsequent proceeding. It is further

ORDERED that the tariff pages reflecting the transfer shall be effective on or after the stamped approval date on the tariff sheets, pursuant to Rule 25-30.475(1), F.A.C. It is further

ORDERED that Brevard Waterworks, Inc. shall be responsible for filing the Utility's 2013 Annual Report and paying 2014 RAF's and shall be responsible for filling all future annual reports and RAFs. It is further

ORDERED that the net book value of the Brevard Waterworks, Inc.'s water system, as of March 28, 2013, is \$61,588. It is further

ORDERED that the provisions of this order issued as proposed agency action shall become final and effective if no protest to the proposed agency action is filed by a substantially affected person with the Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, within 21 days of the date of the order in the form provided by Rule 28-106.201. F.A.C. It is further

ORDERED that the docket shall be closed administratively after Brevard Waterworks, Inc. has provided proof, within 30 days of the date of the final order, that its general ledger has been updated to reflect the Commission-approved balances as of March 28, 2013, along with a written statement that these adjustments will be reflected in the Utility's 2013 Annual Report.

By ORDER of the Florida Public Service Commission this 25th day of June,
2014.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

As identified in the body of this order, our action except for approval of the transfer of Certificate No. 002-W and continuation of existing rates, is preliminary in nature. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, in the form provided by Rule 28-106.201, Florida Administrative Code. This petition must be received by the Office of Commission Clerk, at 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on July 16, 2014. If such a petition is filed, mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing. In the absence of such a petition, this order shall become effective and final upon the issuance of a Consummating Order.

Any objection or protest filed in this docket before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

Any party adversely affected by the Commission's final action in this matter may request: (1) reconsideration of the decision by filing a motion for reconsideration with the Office of Commission Clerk, within fifteen (15) days of the issuance of this order in the form prescribed by Rule 25-22.060, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or the First District Court of Appeal in

ORDER NO. PSC-14-0326-PAA-WU

the case of a water or wastewater utility by filing a notice of appeal with the Office of Commission Clerk and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days after the issuance of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
