DOCKET NO. 140001-EI
ORDER NO. PSC-14-0339-CFO-EI
ISSUED: July 2, 2014

ORDER GRANTING GULF POWER COMPANY'S REQUEST FOR CONFIDENTIAL
CLASSIFICATION (DOCUMENT NO. 01372-14)

On March 28, 2014, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Gulf Power Company (Gulf) filed a Request for Confidential Classification (Request) of certain information contained in its August-December 2013 Hedging Information Report (the Report) (Document No. 01372-14). This Request was filed in Docket No. 140001-EI.

Request for Confidential Classification

Gulf contends that the information for which confidential classification is sought constitutes proprietary and commercially sensitive business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. Specifically, Gulf contends that the information consists of pricing terms for natural gas hedging transactions between Gulf and various counterparties, the disclosure of which would adversely affect its ability to conduct its hedging activities to the benefit of its customers and is, therefore, entitled to confidential classification pursuant to Section 366.093(3)(d) and (e), F.S. Additionally, Gulf asserts that the information for which confidential classification is sought is intended to be and is treated as confidential and has not been publicly disclosed.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.
- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above appears to be information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms, and information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. Thus, the information identified in Document No. 01372-14 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Gulf or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Julie I. Brown, as Prehearing Officer, that Gulf Power Company's Request for Confidential Classification of Document No. 01372-14 is granted. It is further

ORDERED that the information in Document No. 01372-14 for which confidential classification is granted shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order will be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period.

By ORDER of Commissioner Julie I. Brown, as Prehearing Officer, this 2nd day of
July, 2014.
