DOCKET NO. 140001-EI  
ORDER NO. PSC-14-0428-CFO-EI  
ISSUED: August 20, 2014

ORDER GRANTING TAMPA ELECTRIC COMPANY'S REQUEST FOR CONFIDENTIAL  
CLASSIFICATION AND MOTION FOR PROTECTIVE ORDER  
(DOCUMENT NO. 02235-14)

On May 12, 2014, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Tampa Electric Company (TECO) filed a Request for Confidential Classification and Motion for Temporary Protective Order (Request) of certain information provided in response to the Office of Public Counsel's (OPC) First Set of Interrogatories, No. 2 (discovery response).

Request for Confidential Classification

TECO contends that designated portions of the information contained in its discovery response, as more specifically described in Exhibit A attached to its Request, constitute proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. TECO asserts that this information is intended to be and is treated by TECO as private and has not been publicly disclosed.

TECO contends that the information listed in its discovery response contains the proprietary negotiated rates of its consultants and vendors, the disclosure of which would be harmful to its competitive interests as it would allow other parties to compare their negotiated rates and thereby diminish demand for the proprietary work product. TECO argues that this information is protected pursuant to Section 366.093(3)(d) and (e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Subsections 366.093(3)(d), and (e) F.S., provide that proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears that the information described above satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above and in Exhibit A, attached to TECO's Request, appears to be information concerning bids or other contractual data, the disclosure of which would impair the efforts of TECO or its affiliates to contract for goods or services on favorable terms, and information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. Thus, the information identified in Document No. 02235-14 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless TECO or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

#### Motion for Temporary Protective Order

TECO also seeks protection of the documents as provided in Section 366.093(2), F.S., and Rule 25-22.006(6), F.A.C., while the material is in the possession of the Office of Public Counsel (OPC). Section 366.093(2), F.S., directs that all records produced pursuant to a discovery request for which proprietary confidential status is requested shall be treated by any party subject to the public records law as confidential and exempt from the public records law, Section 119.07(1), F.S. Rule 25-22.006(6), F.A.C., codifies the Commission's policy regarding the protection of confidential information from public disclosure during the discovery process in a manner that is not overly burdensome to both parties. Rule 25-22.006(6)(a), F.A.C., in pertinent part, states:

In any formal proceeding before the Commission, any utility or other person may request a protective order protecting proprietary confidential business information from discovery. Upon a showing by a utility or other person and a finding by the Commission that the material is entitled to protection, the Commission shall enter a protective order limiting discovery in the manner provided for in Rule 1.280, Florida Rules of Civil Procedure.

In addition, Rule 25-22.006(6)(c), F.A.C., states that if a party allows OPC to inspect or take possession of utility information, then that "utility may request a temporary protective order exempting the information from section 119.07(1), F.S."

Upon consideration of TECO's assertions of the confidential nature of the information contained in portions of its discovery response, Document No. 02235-14, TECO's Motion for

Temporary Protective Order, is hereby granted. As a result, this information shall be protected from disclosure pursuant to Rule 25-22.006(6), F.A.C.

Based on the foregoing, it is hereby

ORDERED by Commissioner Julie I. Brown, as Prehearing Officer, that Tampa Electric Company's Request for Confidential Classification of Document No. 02235-14 is granted. It is further

ORDERED that the information in Document No. 02235-14 for which confidential classification has been granted shall remain protected from disclosure for a period of up to 18 months from the date of the issuance of this Order. It is further

ORDERED that this Order will be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period. It is further

ORDERED that Motion for Temporary Protective Order filed by Tampa Electric Company's is granted.
