DOCKET NO. 150001-EI  
ORDER NO. PSC-15-0449-CFO-EI  
ISSUED: October 13, 2015

ORDER GRANTING GULF POWER COMPANY'S REQUEST FOR CONFIDENTIAL  
CLASSIFICATION (DOCUMENT NOS. 05703-15 AND 05987-15)

On September 14, 2015, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Gulf Power Company (Gulf) filed a Request for Confidential Classification (Request) of certain information provided in response to Commission Staff's Fifth Set of Interrogatories (Nos. 18 and 20) (Document No. 05703-15). On September 22, 2015, Gulf filed a second Request for the same information provided in response to Commission Staff's Fifth Set of Interrogatories (Nos. 18 and 20) (Document No. 05987-15). These requests were filed in Docket No. 150001-EI.

Request for Confidential Classification

Gulf contends that the information provided in Commission Staff's Fifth Set of Interrogatories (Nos. 18 and 20), contains information of a confidential nature, which is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes.

Gulf contends that this information is intended to be and is treated by Gulf as private, and its confidentiality has been maintained. This information includes bids and other contractual data. Disclosure of this information would violate nondisclosure provisions of Gulf's contracts with certain vendors and impair the efforts of Gulf or its affiliates to contract for goods or services on favorable terms. Gulf asserts that this information is protected by Section 366.093(3)(d), F.S.

In addition, Gulf contends that this information relates to competitive interests, the disclosure of which would impair the competitive business of Gulf, its affiliates, or its vendors. Disclosure of this information would place Gulf at a competitive disadvantage when coupled with other information that is publically available. Gulf asserts such information is protected pursuant to Section 366.093(3)(e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Commission has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has

not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.
- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above appears to be information concerning contractual data and competitive interests, the disclosure of which would impair the competitive business of Gulf or its affiliates or its vendors. Thus, the information identified in Document Nos. 05703-15 and 05987-15 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Gulf or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Chairman Art Graham, as Prehearing Officer, that Gulf Power Company's Request for Confidential Classification of Document Nos. 05703-15 and 05987-15 is granted. It is further

ORDERED that the information in Document Nos. 05703-15 and 05987-15, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Chairman Art Graham, as Prehearing Officer, this 13th day of October, 2015.
