

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for approval of amendments to special contract with Polk Power Partners, L.P., by Florida Division of Chesapeake Utilities Corporation.

DOCKET NO. 150172-GU  
ORDER NO. PSC-15-0505-CFO-GU  
ISSUED: October 27, 2015

ORDER GRANTING THE FLORIDA DIVISION OF CHESAPEAKE UTILITIES CORPORATION'S REQUEST FOR CONFIDENTIAL CLASSIFICATION (DOCUMENT NO. 04706-15)

On July 27, 2015, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), the Florida Division of Chesapeake Utilities Corporation (Chesapeake) filed a Request for Confidential Classification (Request) of portions of information contained in Chesapeake's Petition, Exhibit A to Amendment No. 3 attached to the Gas Transportation Service Special Contract with Polk Power Partners, L.P. (Polk), and corresponding information within its Petition for Approval of Amendments to Special Contracts and Cost of Service Study. This Request was filed in Docket No. 150172-GU.

Request for Confidential Classification

Chesapeake contends that the information for which confidential classification is sought contains specific rate information used in a competitive contract. Chesapeake states that disclosure of this information would impair Chesapeake's ability to compete for goods and services and would provide their competitors with an unfair advantage. Chesapeake asserts that this information is intended to be and is treated by Chesapeake and Polk as private and has not been publicly disclosed. Chesapeake argues that this information is entitled to protection pursuant to Section 366.093(3)(d) and (e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information appears to be information concerning bids or other contractual data, the disclosure of which would impair the efforts of Chesapeake or its affiliates to contract for goods or services on favorable terms, and information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. Thus, the information identified in Document No. 04706-15 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Jimmy Patronis, as Prehearing Officer, that the Florida Division of Chesapeake Utilities Corporation's Request for Confidential Classification of Document No. 04706-15 is granted. It is further

ORDERED that the information in Document No. 04706-15, for which confidential classification has been granted shall, remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Jimmy Patronis, as Prehearing Officer, this 27th day of October, 2015.
