DOCKET NO. 150235-WS  
ORDER NO. PSC-16-0143-FOF-WS  
ISSUED: April 12, 2016

FINAL ORDER ACKNOWLEDGING CORPORATE REORGANIZATION  
AND APPROVING NAME CHANGE

BY THE COMMISSION:

On November 2, 2015, Cypress Lake Utilities, Inc., Utilities, Inc. of Eagle Ridge, Utilities, Inc. of Florida, Labrador Utilities, Inc., Lake Placid Utilities, Inc., Lake Utility Services, Inc., Utilities, Inc. of Longwood, Mid-County Services, Inc., Utilities, Inc. of Pennbrooke, Utilities, Inc. of Sandalhaven, Sanlando Utilities Corporation, and Tierra Verde Utilities, Inc. (the applicants) filed a joint application for acknowledgement of corporate reorganization and approval of name change.

On December 1, 2015, the Office of Public Counsel (OPC) filed a notice of intervention in this docket, which was granted by Order No. PSC-16-0131-PCO-WS, issued March 31, 2016. An informal, noticed meeting was held on January 7, 2016, attended by representatives for OPC, the applicants, and Commission staff, to discuss OPC's concerns regarding this docket. OPC indicated it would not object to the applicants' requested name change, provided the order clarify that beyond the name changes, cancellation and amendment/consolidation of certificates sought by the applicants, and the miscellaneous charge and service availability policy simplification changes to the tariffs, that the prior orders, commitments or other obligations of service of each of the individual utilities affected would remain unaffected. Further, OPC wished to clarify that

it reserves all of its rights to challenge in subsequent proceedings outside of this docket any material, substantive changes in service obligations of the surviving utilities.

Accordingly, this Order neither makes nor authorizes any changes to prior governing orders, commitments or other obligations of service of each of the individual utilities affected by the actions sought by applicants in this docket. No material change to the tariffs will be made under this Order other than to reflect the applicants' reorganization and name change, other than the miscellaneous charge and service availability policy simplification necessitated by the name change approved herein.

The applicants are all wholly-owned subsidiaries of Utilities, Inc. The mailing address for all the applicants is 200 Weathersfield Avenue, Altamonte Springs, FL 32714-4099. The applicants were merged into Utilities Inc. of Florida on December 2, 2015, when the Articles of Merger were recorded with the Florida Department of State, Division of Corporations, effective January 1, 2016. The application contains an affidavit by an officer of the applicants affirming that ownership and control of the applicants will not change as a result of the reorganization. The officers and directors of the applicants will remain the same after the reorganization, as will the management operations, customer service, mailing address, and telephone numbers of each applicant.

Prior to the reorganization and name change, the applicants' full name, certificate number(s), and county(ies) of operation were as follows:
