DOCKET NO. 160001-EI
ORDER NO. PSC-16-0453-CFO-EI
ISSUED: October 11, 2016

ORDER GRANTING GULF POWER COMPANY'S REQUEST FOR CONFIDENTIAL
CLASSIFICATION (DOCUMENT NO. 05869-16)

On August 4, 2016, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Gulf Power Company (Gulf) filed a Request for Confidential Classification (Request) of certain information contained in Schedule CCE-4 of Exhibit CSB-2 to the Direct Testimony of C. Shane Boyett (Document No. 05869-16). This Request was filed in Docket No. 160001-EI.

Request for Confidential Classification

Gulf contends that the information contained in Schedule CCE-4 of Exhibit CSB-2 to witness Boyett's testimony, submitted in Docket No. 160001-EI and more specifically described in the table in Attachment C to its Request, constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. Gulf asserts that this information is intended to be and is treated by Gulf as private and has not been publicly disclosed.

Gulf's justification for asserting that the information is confidential is found in more detail in Attachment C to its Request. Gulf contends that Schedule CCE-4 contains pricing information for capacity purchases between Gulf and various counterparties, which both Gulf and the counterparties regard as confidential. Gulf asserts that disclosure of this information would negatively impact its ability to negotiate pricing favorable to its customers in future capacity contracts. Additionally, Gulf asserts that if the price terms are made public, potential counterparties may refuse to enter into contracts with Gulf, or may charge higher prices. Gulf argues that such information is protected pursuant to Section 366.093(3)(d) and (e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above and in Attachment C appended to Gulf's Request appears to be "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms" and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information." Thus, the information identified in Document No. 05869-16 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Gulf or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Art Graham, as Prehearing Officer, that Gulf Power Company's Request for Confidential Classification of Document No. 05869-16 is granted, as set forth herein. It is further

ORDERED that the information in Document No. 05869-16 for which confidential classification has been granted shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Art Graham, as Prehearing Officer, this 11th day of October, 2016.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code.
