DOCKET NO. 160002-EG  
ORDER NO. PSC-16-0462-CFO-EG  
ISSUED: October 14, 2016

ORDER GRANTING CONFIDENTIAL CLASSIFICATION  
FOR SCHEDULE CT-6 OF EXHIBIT AS-1 DOCUMENT NO. 02667-16

On May 2, 2016, pursuant to Rule 25-22.006, Florida Administrative Code, Florida Power and Light Company (FPL) filed a request for confidential classification (Request) of certain materials provided pursuant to its true-up filing, Schedule CT-6 of Exhibit AS-1.

Request for Confidential Classification

FPL asserts that the confidential information in the documents is intended to be proprietary, is treated as proprietary, and has not been publicly disclosed. FPL requests that the Commission grant confidential classification for the documents for a period of 18 months from the date of the issuance of this Order, pursuant to Section 366.093(4), Florida Statutes.

Section 366.093(1), Florida Statutes, provides that “any records received by the Commission which are shown and found by the Commission to be proprietary confidential business information shall be kept confidential and shall be exempt from Section 119.07(1) [the Public Records Act].” Pursuant to Section 366.093(3), Florida Statutes, proprietary confidential business information includes information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company’s ratepayers or business operations, and has not been voluntarily disclosed to the public. Confidential business information includes, but is not limited to, the following:

- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information

FPL asserts that the information for which it seeks confidential status consists of FPL’s customer-specific information and data which would harm customers’ business operations. FPL asserts that it does not reveal customer specific account information unless authorized by the customer or required to do so by law, in order to protect the customers’ competitive interests and right to privacy. FPL contends that the information for which it is requesting confidential classification is entitled to that classification pursuant to Section 366.093(3)(e), F.S., as proprietary confidential business information, the disclosure of which would impair the company’s ability to contract for the sale of goods and services on favorable terms or cause harm to its ratepayers.

Ruling

Upon review, it appears that the above-referenced information satisfies the criteria set forth in Section 366.093(3)(e), F.S. The information contains information concerning bids or other contractual data and competitive business information, the disclosure of which would impair the company's ability to contract for the sale of goods and services on favorable terms and impair the competitive interests of its customers. Therefore, I grant confidential classification for Document No. 02667-16.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of 18 months from the date of issuance of this order. At the conclusion of the 18 month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless FPL or another affected person shows, and the Commission finds, that the information continues to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Art Graham, as Prehearing Officer, that Florida Power and Light Company's Request for Confidential Classification of Document No. 02667-16, is granted. It is further

ORDERED that the information in Document No. 02667-16 for which confidential classification has been granted shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Art Graham, as Prehearing Officer, this 14th day of October, 2016.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
