DOCKET NO. 170001-EI
ORDER NO. PSC-17-0125-CFO-EI
ISSUED: April 4, 2017

ORDER GRANTING DUKE ENERGY FLORIDA, LLC'S REQUEST
FOR CONFIDENTIAL CLASSIFICATION (DOCUMENT NO. 02605-17)

On March 1, 2017, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Duke Energy Florida, LLC (DEF) filed a request for Confidential Classification (Request) of portions of witness Christopher A. Menendez's Exhibits (CAM-2T) and (CAM-3T) (Document No. 02605-17).

Request for Confidential Classification

DEF contends that the information contained in Exhibits (CAM-2T) and (CAM-3T), more specifically described in Exhibit C to its Request, constitute proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. DEF asserts that this information is intended to be and is treated by DEF as private and has not been publicly disclosed.

The information for which confidentiality is requested contained in Exhibit (CAM-2T) consists of contractual cost data pertaining to the Calpine Osprey power purchase agreement and the sale of Batch 19 nuclear fuel. Exhibit (CAM-3T) is Schedule A-12 for the period January through December 2016 which also contains payment information for the Calpine Osprey power purchase agreement and data regarding the sale of Batch 19 nuclear fuel. DEF argues that this information is protected by Sections 366.093(3)(d) and (e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The pricing information for nuclear fuel and Calpine Osprey capacity, if disclosed, could adversely impact DEF's competitive interests as well as the competitive interests of its vendors and counterparties. Further, disclosure of this information could result in higher prices for these commodities in the future. Thus, the information identified in Document No. 02605-17 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless DEF or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Ronald A. Brisé, as Prehearing Officer, that Duke Energy Florida, LLC's Request for Confidential Classification of Document No. 02605-17, is granted, as set forth herein. It is further

ORDERED that the information in Document No. 02605-17 for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Ronald A. Brisé, as Prehearing Officer, this 4th day of April, 2017.
