

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for approval of transportation service agreement with Florida Public Utilities Company, by Peninsula Pipeline Company, Inc.

DOCKET NO. 20180016-GU  
ORDER NO. PSC-2018-0148-CFO-GU  
ISSUED: March 19, 2018

ORDER GRANTING PENINSULA PIPELINE COMPANY, INC.'S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION (DOCUMENT NO. 00306-2018)

On January 12, 2018, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Peninsula Pipeline Company, Inc. (Peninsula) filed a Request for Confidential Classification (Request) for certain information contained in Exhibit A to the Firm Transportation Service Agreement (Agreement) between Peninsula and Florida Public Utilities Company (FPUC) (Document No. 00306-2018).

Request for Confidential Classification

Peninsula contends that the highlighted information contained in Exhibit A of the Agreement, dated January 12, 2018, constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. The highlighted information consists of the Maximum Daily Transportation Quantity (MDTQ), the Total MDTQ, the Monthly Reservation Charge, and the Unauthorized Use Rate. This information is directly related to the negotiated rates and terms of the Agreement which both Peninsula and FPUC treat as confidential.

Peninsula asserts that this information concerns bids or other contractual data, the disclosure of which would impair the efforts of Peninsula to contract for goods or services on favorable terms. Peninsula argues that this information should be protected pursuant to Section 366.093(3)(d), F.S. Peninsula also states that the public disclosure of this information would place it at a competitive disadvantage when coupled with other information that is publicly available; therefore, it should be afforded protection under Section 366.093(3)(e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above constitutes information concerning bids or other contractual data, the disclosure of which would impair the efforts of Peninsula to contract for goods or services on favorable terms and information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. Thus, the information identified in Document No. 00306-2018 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Peninsula or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Julie I. Brown, as Prehearing Officer, that Peninsula Pipeline Company, Inc.'s Request for Confidential Classification of Document No. 00306-2018 is granted. It is further

ORDERED that the information in Document No. 00306-2018 for which confidential classification has been granted shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein

By ORDER of Commissioner Julie I. Brown, as Prehearing Officer, this 19th day  
of March, 2018.
